
Financial Aid and Scholarships

■ FINANCIAL AID OFFICE

Director: Mr. Orlando Lopez
Assistant Directors: D. Hammond, W. Rosario
Colston Hall, Room 504
Phone: (718) 289-5700

The Financial Aid Office administers all aid programs—federal, state, city and college funded. Applications, counseling and other information are available from the office. Financial Aid program descriptions are based on current statutes and regulations, and may be changed periodically. Entering students should contact the Financial Aid Office early in the admission process to discuss eligibility requirements, to obtain forms, and to receive up-to-date information on the various aid programs. Students must file a FAFSA applications each year. Students are encouraged to apply early for financial aid. Please note that enrollment in other than registered or otherwise approved programs may jeopardize a student's eligibility for certain student aid awards.

■ NEW YORK STATE PROGRAMS

Tuition Assistance Program (TAP)

TAP is administered by the New York State Higher Education Services Corporation for residents of New York State. Under this program, full-time students (at least 12 credits or equated credits) whose families have an annual New York State net taxable income of \$80,000 or less, or students who are single and independent with no dependents and a \$10,000 net taxable income or less may qualify for assistance to help meet tuition charges.*

Applications are generated by the FAFSA (Free Application for Federal Student Aid). Before submitting the application, the applicant should review it with a financial aid officer, especially if there are questions relating to completion of the application. The Higher

Education Services Corporation determines the applicant's eligibility and an award certificate indicating the amount of the grant is sent directly to the applicant.

Part-time TAP: Bronx Community College is currently participating in the New York State Higher Education Services Corporation (NYSHESC) three-year part-time TAP pilot program. Further information is available at the Financial Aid Office located in Colston Hall, Room 504.

Selection of Recipients and Allocation of Awards: TAP is an entitlement program. To be eligible for financial assistance under TAP, the student must be a New York State resident and a U.S. citizen or eligible non-citizen; be enrolled full-time and matriculated; make satisfactory academic progress toward completion of the program; and be economically eligible according to current criteria.

An applicant who is in default of a New York State Higher Education loan is excluded from eligibility for this program.

Students may generally receive TAP awards for three years at a community college. Students enrolled in approved five-year programs, or in an opportunity program, such as the College Discovery Program at Bronx Community College, may receive undergraduate awards for five years.

Award Schedule: The amount of the TAP award is scaled according to level of study, tuition charge, and net taxable income. The income measure is the family's or the independent student's net taxable income from the preceding tax year plus certain nontaxable income, and, for dependent students, support from divorced or separated parents. This income is further adjusted to reflect other family members enrolled full time in post-secondary study.

* Income is adjusted for other family members in full-time college attendance.

**Students who have two years of TAP or the equivalent must have a 2.00 G.P.A. or higher to remain eligible for TAP.

***Each TAP payment is equivalent to six (6) TAP points; students are only allowed 36 points (6 payments) at a two-year institution.

Probation

Students who do not maintain the required standards will be placed on probation at the end of the semester. During this probationary period, students maintain their standing with the college.

Supplemental Tuition Assistance Program (STAP)

STAP is available only for students who enroll in remedial courses in the summer term immediately preceding and/or immediately following the initial year of full-time matriculated study.

Aid for Part-Time Study (APTS)

This is a New York State grant for undergraduate students pursuing degree programs on a part-time basis (6 to 11 credits). To be eligible, students must be New York State residents and taking at least three degree credits. Students must comply with New York State Education Department regulations for continued eligibility. The award can only be used to pay for tuition costs.

Award Amounts: Awards are based on the family's New York State taxable income. The amount is determined by The City University and will vary according to state funding.

Application Form: Application for Part-Time Study (APTS).

College Discovery (CD)

The College Discovery Program (CD) was initiated in 1964 by the Board of Higher Education to provide higher educational opportunities at the community college level to economically and academically disadvantaged students with the potential to become excellent college students. The program provides counseling, financial aid, tutoring services and supplemental instruction.

Application Procedures: Application is by means of several questions on the CUNY Freshman Application Form. The Form may be returned to: University Application Processing Center, City University of New York, Box 136, Bay Station, Brooklyn, New York 11235.

Selection of Recipients and Allocation of Awards:

1. a resident of New York City for 12 consecutive months;
2. academically disadvantaged according to guidelines approved by the Board of Trustees of the University;
3. economically disadvantaged according to guidelines approved by the Board of Regents and the Director of the Budget; and
4. an applicant for admission as a freshman to an associate's degree program in CUNY. Eligible applicants, after screening for academic potential, are offered admission to the CUNY college of their choice.

Note: State law requires that in order to receive CD awards, students must file an application for the Pell grants and the Tuition Assistant Program (TAP).

Award Schedule: The amount of financial assistance and other support provided to CD participants is dependent on need, as determined by the CUNY Office of Student Financial Assistance and/or the individual college financial aid programs, within State guidelines.

■ FEDERAL PROGRAMS

Federal Pell Grants

Applications and other materials are available in the Financial Aid Office.

The Financial Aid Office encourages students to file electronically for financial aid in the Financial Aid Lab located in Colston Hall, Room 503. FAFSA on The Web filing is the fastest way to file for financial aid. If a student files electronically, he or she is sent an acknowledgement (Page 1 of the SAR). If there are no problems with the application the student is notified via e-mail and a notice is sent directly to the college. The student is instructed to check with the financial aid office for additional instructions in completing the financial aid process.

Students may also file for financial aid using a paper FAFSA application.

The completed FAFSA application should be submitted for processing according to the application directions. A Student Aid Report will be sent to the applicant. Based on this report, the amount of the applicant's award is determined by the Financial Aid Office. Funds are paid directly to the student or may be credited to his or her account.

Selection of Recipients and Allocation of Awards:

The Pell Grant Program is an entitlement program. Scholastic accomplishment has no bearing on eligibility. The applicant must be enrolled as an undergraduate student at least on a part-time basis in an approved postsecondary institution which is itself eligible under law to participate in the Pell Grant Program and must need financial assistance.

Financial need is determined by a formula applied to all applicants. It was developed by the U.S. Department of Education and is reviewed annually by Congress. The student eligibility index is calculated by this formula.

Award Schedule: Awards vary from year to year, but are never more than 60 percent of the total cost of attendance as defined by the Pell Grant program. The amount of the grant depends on the student's expected family contribution (EFC) and enrollment status.

Rights and Responsibilities of Recipients: The student must continue to make satisfactory academic progress in the program in which enrolled. The student must not owe any repayments of Pell Grants or other awards paid, or be in default on payment of any student loan. Before receiving payment, the student must sign an affidavit, available from the Financial Aid Office, that all money received will be used for the costs of attendance at Bronx Community College.

The Federal Government restricts the use of Pell Grants for students taking remedial courses up to 30 remedial credits. After the student has received Pell for 30 remedial credits, the number of degree credits will determine the Pell award. Remedial courses in English as a Second Language are exempt from this regulation.

Students in default of a student loan are not entitled to receive financial aid.

Federal Supplemental Educational Opportunity Grants (FSEOG)

A student enrolled at Bronx Community College can apply for an award under this program by completing the FAFSA Application.

Students are encouraged to file early to be considered for SEOG. Early filers have a greater chance of receiving SEOG as college funding for this type of aid is limited.

Selection of Recipients and Allocations of Awards: The applicant must be:

1. in exceptional financial need, to the extent that without a Supplemental Grant award, education could not be continued;
2. enrolled at least half time.

Award Schedule: The award ranges from \$200 to \$2,000.

Rights and Responsibilities of Recipients: The student must continue to make satisfactory academic progress.

Federal Perkins Loans Program

Application Procedure: A student enrolled at Bronx Community College can apply for a Perkins Loan by completing a FAFSA application. Generally, at CUNY these loans are made available to students who have earned 24 or more degree credits to help minimize debt burden during the early part of the academic experience.

Loans are available to matriculated students enrolled at least half time (6 credits). To qualify, a student must be eligible for a Pell Grant.

Amounts vary but the maximum amount a student can receive for one year is \$2,000 or a total of \$4,500 while attending BCC.

The current interest rate is 5 percent on the unpaid principal. Repayment begins nine months after the student has graduated, withdrawn from college, or fallen below six credits. Students must also attend an entrance workshop and an exit interview to notify them of their rights and obligations concerning the Perkins Loan.

The maximum time to repay the loan is 10 years. Depending on the amount borrowed, minimum payment is \$40 a month per loan. Repayment may be made entirely or in part at any time without penalty to the student. Cancellation, deferment, forbearance, economic hardship, etc., will be explained at one of the loan workshops which students must attend at BCC before and after receiving their loans.

Repayment is not required for up to three years of active U.S. military service, or service in the Peace Corps, VISTA, or similar national program.

William D. Ford Subsidized Direct Loan Program

With this program, you will have only one lender to deal with—the Federal Government—once your payments begin. To be eligible for a Direct Loan, a student must:

1. be a United States citizen or eligible non-citizen
2. be enrolled as a matriculated, full-time or part-time student. The minimum credits taken must be six or more in an approved degree program.
3. file the Free Application for Federal Student Aid (FAFSA) to determine eligibility to apply for a Direct Loan. Forms are available at financial aid offices.

To apply, you must be a matriculated student at Bronx Community College and attend a Direct Loan workshop.

Loan Schedule: A student is limited to \$2,625 for a first year loan and \$3,500 for a second year loan.

If you qualify for a subsidized loan during the time you are in school, your interest is free as long as you have not graduated, withdrawn from school, or have fallen below six credits. After any one of these three things has occurred, you will have a six-month grace period (during this time you also pay no interest). After the grace period, your payments will start. Your interest is a variable rate. At this time, it is 8.25 percent. It may go lower than this, but not higher.

The Direct Loan program has a four-payment plan, one of which will meet your personal needs. The maximum repayment period of a loan from date of the original note may not exceed 30 years. You may repay your loan in full at any time.

CUNY Policy on Withholding Student Records for Financial Reasons

Students who are delinquent and/or in default in any of their financial accounts with the College, the university or an appropriate state or federal agency for which the university acts are not to be permitted to complete registration, or issued a copy of their grades, a transcript of academic record, certificate or degree. (See Appendix D, pgs. 202, 203 for a complete copy of the Amendment to the Policy on Withholding Student Records.)

Federal College Work Study Program (FWS)

This financial aid program allows students to earn money by working on or off campus.

Application Procedure: A student enrolled at Bronx Community College can apply for an award under this program by completing a FAFSA application.

Selection of Recipients and Allocation of Awards: The applicant must be enrolled at least half-time. In the event that more students are eligible for CWS than there are funds available, preference is given to students who have great financial need and who must earn a part of their educational expenses.

Award Schedule: The Financial Aid Office arranges jobs on campus or off campus with public or private nonprofit agencies. Factors considered by the Financial Aid Office in determining whether and how many hours the applicant may work under this program are: financial need, class schedule, academic progress, and health status. Salary is dependent on the nature of the job and applicant qualifications.

Rights and Responsibilities of Recipients: Satisfactory academic progress must be maintained.

Veterans Administration (VA) Educational Benefits

Application Procedures: Application forms are available at all VA offices, active duty stations, and American embassies. Completed forms are submitted to the nearest VA office.

Selection of Recipients and Allocation of Awards: Veterans who served over 180 days between January 31, 1955, and January 1, 1977, and:

1. continue on active duty;
2. were honorably discharged at the end of their tours of duty, or
3. who qualify because of service connected disabilities, are eligible for benefits.

Veterans are entitled to benefits for full-time study at Bronx Community College for one and one-half months for each month of active service, up to 45 months. Eligible veterans who served for 18 continuous months are entitled to benefits for 45 months of full-time study. In each case, the equivalent in part-time study may be authorized. The Veteran's Affairs Office in Loew Hall 216 is available to answer questions concerning VA benefits.

■ FEDERAL SATISFACTORY ACADEMIC PROGRESS

In order to make satisfactory academic progress toward an associate degree, for the purposes of Title IV Federal Student Assistance (Pell, S.E.O.G., FWS, Perkins, and direct loans), an undergraduate student must achieve both certain academic standing levels in GPA **and** in credit accumulation. For the purpose of calculating sufficient academic standing in GPA, a student must:

- achieve academic standing consistent with the College's minimum index to maintain matriculant status (see Index Classification Chart, page 40) and
- after two years of enrollment at the College, have at least a C average or its equivalent.

In addition, for the purpose of calculating sufficient

credit accumulation, the student must have accumulated credits toward the degree according to the following standards:

1. attempted credits are not more than 150 percent of the credits normally required for completion of the degree.

For example, if the associate degree program in which the student is enrolled requires 60 credits, then the student is allowed up to 90 credits in the Title IV Federal Student Assistant programs.

and

2. attempted credits are equal to or greater than two-thirds of the cumulative credits attempted at the institution.

For example, if the student has attempted 30 credits and has earned 20 or more, he/she meets this standard. On the other hand, if the student has attempted 30 credits and has accumulated fewer than 20, he/she does not meet this standard.

If the standard in item 2 is not met, eligibility may be retained by meeting the following conditional standard:

3. In an associate degree program, if the earned credits are greater than or equal to seven-eighths of the credits attempted minus 21.

For example, if the credits attempted are 87, the formula would be $(87 \times .875) - 21 = 55.125$. Therefore, for this student to retain eligibility with 87 attempted credits, he/she would have to have earned at least 56 credits.

Students will be measured against the satisfactory progress standard at the end of the Spring semester to determine eligibility for the receipt of Title IV Student Financial Assistance for the upcoming year.

Appeals/Probation: Undergraduate students who fall below the conditional appeal standard (#3) may appeal for the receipt of Title IV Student Financial Assistance through the Registrar. There is no limit on the number of times that a student may appeal.

Transfer Students: At the inception of the transfer student's first semester at the College, his/her satisfactory academic progress status shall be determined by using the number of credits awarded as transfer credits by Bronx Community College as both the credits attempted and the credits earned.

Readmitted Students: Upon readmission, after at least a one-year period of non-enrollment, the student will receive assistance for the terms in the academic year of readmission (students readmitting in Fall will receive assistance for Fall and Spring; students readmitting in Spring will receive assistance for the Spring). Future eligibility will be evaluated after the Spring semester against the appropriate standard for the degree program in which the student is enrolled. If a student is readmitted after less than one year of non-enrollment, the academic record will be evaluated for satisfactory progress under these standards as the record stood at the end of the last term of attendance.

■ COLLEGE AND UNIVERSITY PROGRAMS

CUNY Assistance Program (CAP)

To be eligible, a student must be a New York City resident and must be classified as a part-time, matriculated student taking a minimum of six to a maximum of eleven credits. At the present time, the application form is the Pell Grant form. The CUNY Assistance Program is based upon the eligibility index of the Pell Grant. The amount of the award varies depending on the index. This program is subject to continued funding on an annual basis. Awards will vary according to funding.

Lincoln Fund and Rudin Fund

These funds make grants available to needy nursing students. Grants will vary depending on the amount of funding and are made to nursing students who are found eligible based upon the FAFSA application.

Emergency Loan Funds

1. The H.W. Wilson Emergency Loan Fund and the Edna and Albert Goldman Emergency Loan Fund are revolving funds which provide small, short-term loans for emergencies.
2. The Dean's Confidential Loan Fund is a short-term loan for students with extraordinary emergency needs which cannot be met by other loan funds. It is administered by the Vice President of Student Development.

■ REQUIRED ENROLLMENT STATUS

In order to receive checks for payments in all financial aid programs available through the College, a student must be currently enrolled and attending classes. Payments in all programs are based upon the total number of credits for which the student is attending:

- TAP and CD awards for stipends, books and fees require that a student be enrolled for a minimum of 12 credits;
- Pell requires a student to be enrolled for at least 1 credit;
- SEOG, Perkins, APTS, and FWS awards require that a student be enrolled for at least 6 credits;

For all students receiving awards:

- class attendance requirements must be met while receiving payments;
- payments can only be received by the eligible student in person;
- an eligible student must present a current, valid Bronx Community College student ID card and a copy of his or her most recently validated Bursar's receipt.

■ SCHOLARSHIPS

BCC Foundation Scholarships

The BCC Foundation awards scholarships to model students for academic achievement, persistence over hardships, and other contributions to the college or the community.

College Awards

For the College awards listed below a student can self-nominate if they meet the criterion of each scholarship. These scholarships usually are at/or above \$300. Applications are available for each scholarship on the College's website.

Scholarship committees review all applications and select the student(s) who meet(s) the criteria.
