In celebration of Hispanic Heritage Month, The Hall of Fame Art Gallery is pleased to present Split Journey, an exhibition of works by artist Norma Márquez Orozco. The featured works engage with concepts such as temporariness, perception, movement and the transformation of mental images. For these pieces, the artist assembles repetitive geometric shapes and forms, placing them inside of envelopes or boxes of translucent paper. The arrangement is random and unfixed to allow for movement and unpredictable compositions. Márquez, who was born in Chicago, Illinois, and raised in Guadalajara, Jalisco, Mexico, has lived and worked in New York City since 1991.

The Hall of Fame Art Gallery is open Monday and Friday, 10 a.m. - 2 p.m., Tuesday, Wednesday and Thursday, 12 - 4 p.m., and by appointment.
