3rd Annual Sustainable Energy and Design Conference
Friday, November 20, 8 a.m. - 4:30 p.m., in Meister Hall [ME], Schwendler Auditorium; Reception at 5 p.m., in Gould Memorial Library [GM], Rotunda

This year’s Sustainable Energy and Design (SED) Conference will focus on the two essentials of New York City life that consume the most energy and so pose the greatest challenge to sustainability: the buildings in which we live and work and the transportation on which we ride. Policy makers, industry leaders and educators will present and discuss existing and emerging technologies that best serve the Bronx community. Conference tickets are $30 per person, 2 for $50, which includes lunch and reception.

One Soul Holocaust Exhibit
Through Friday, November 20, in North Hall and Library [NL], 2nd Floor Commons

The Library Department presents One Soul: When Humanity Fails. It is an innovative incubator and implementer of Jewish educational, cultural and values-oriented programs that span the globe. The One Soul exhibitions explore the Holocaust, presenting historical events that help us consider contemporary lessons. At the end of World War II, U.S. troops sweeping through Germany discovered evidence of unspeakable crimes against humanity. This exhibition tells of the soldiers who liberated western Europe and freed the survivors of Nazi persecution. Produced and loaned by the Afikim Foundation, founded in 2002 by Rabbi Raphael B. Butler.

“Get Psych’d for the Arts”
Tuesday, November 17, 12 - 2 p.m., in Brown Center [BC], Hall of Fame Playhouse

Many people at BCC experience anxiety or depression and even more of us know a friend or family member who suffers from one or both of these painful conditions. Students, faculty and staff are coming together for a unique creative arts event. Performers of all kinds will unleash their talents to inform, increase awareness and abolish the stigma that is usually associated with anxiety and depression. Light refreshments will be served. OCD credit is available for this event. For more information, contact Personal Counseling at 718.289.5223.

Crossing the Great Divide: Frontiers, Borders and Barriers
Wednesday, November 18, 2:30 - 3:30 p.m., in North Hall and Library [NL], Room 314

Library Department professor Julia Pollack will be speaking about her recent research trip, bicycling across the United States from Lake Michigan to the Pacific Ocean. Her journey retraces the frontier paths of American immigration onto the Great Plains, beginning at Rogers Avenue in Chicago or Indian Boundary Line 1816. This journey is also an exploration of the changing aspect of the arts and globalization.

Health Care Enrollment
Thursday, November 19, 12 - 2 p.m., in Colston Hall [CO], Upper Lobby

The Office of Health Services (OHS) will have navigators onsite to answer your questions and assist you in enrolling in health insurance. The Affordable Care Act, also referred to as Obamacare, provides more people with access to health insurance coverage. It’s a new way for people to shop for, compare and enroll in health coverage as it provides a marketplace, giving you an easy way to compare health insurance plans. Obamacare encourages primary and preventive care and expands Medicaid to allow more people to qualify for health insurance coverage. If you don’t have health insurance now, you may not have to wait. Navigators will let you know if you qualify for Medicaid or Child Health Plus.
