A Career in Geospatial Technology
Tuesday, March 20, 11 - 12 a.m., in Roscoe Brown Student Center, Room 211

Geospatial Technology is an emerging field of study, a national priority in the United States and many other countries, and a rapidly growing sector in an industry that faces an acute shortage of skilled labor. Geospatial technology includes the tools and techniques used in land surveying, remote sensing, cartography, geographic information systems (GIS), global navigation satellite systems (GPS, GLONASS, Galileo, Compass), photogrammetry, geography, and related forms of earth mapping. In this session Dr. Sunil Bhaskaran will describe key components of this technology, emphasize the need to introduce students at BCC to this technology and discuss various career options for BCC students. This 45-minute presentation will be followed by a Q&A session. OCD credit is available for this event. Coordinated by the Department of Physics and Technology.

Collaborative Education Forum
Wednesday, March 21, 10 a.m. - 12 p.m., in Language Hall, Faculty & Staff Lounge

The need to build grants based support for education in the Bronx is essential. It takes a diverse team of highly dedicated, creative, and confident individuals working through a clear vision towards a collective mission. BCC has asked three of the most talented and experienced collaborative education leaders and grant writing professionals in the Bronx to share their perspectives on what it takes to build the types of partnerships we need to support grant funded educational projects. Our guest speakers include Mrs. Michelle Danvers-Foust, Director of the BCC Upward Bound/Talent Search Program, Mr. Kenyatta Funderburke, Executive Director of Community Change Inc., and Mr. Wendell Joyner, Special Assistant to the BCC Assistant Vice President of Institutional Advancement. To attend, please RSVP to Gene Adams at 718.289.5952; seating is limited.

Career and Internship Fair
Thursday, March 22, 11 a.m. - 4 p.m., in Loew Hall, Room 200

Take the next step in advancing your career. Attend the Career and Internship Fair! Employers will be on site to recruit and interview students. To attend, you must be in business attire, and bring copies of your resume. It is strongly recommended that you have your resume reviewed before attending the fair. If you don’t have a resume, come to the C.O.P.E. Career Center in Loew Hall, room 117 to pick up samples, or to receive assistance in creating an outstanding resume. For more information, contact the C.O.P.E. Program at 718.289.5603.
