It will include works by African and American photographers who have traveled and documented “change” in African countries over the last 30 years. The Hall of Fame Art Gallery is located in Bliss Hall, and is open weekdays from 10am to 2pm. Curated by Eugene Adams, Office of Collaborative Programs.

Global Film Series

On Thursday, April 7, from 12pm to 2pm, please join us in Meister Hall, Schwendler Auditorium for a screening of For the Next 7 Generations, a film by Carole Hart. In 2004, thirteen indigenous grandmothers from around the world, moved by their concern for our planet, came together at a historic gathering. They decided to form an alliance: The International Council of Thirteen Indigenous Grandmothers. For the Next 7 Generations follows what happens when these wise women unite. Facing a world in crisis, they share with us their visions of healing and a call for change now, before it’s too late. Moderated by Professor Gloria Rodriguez, Department of Social Sciences. Sponsored by the Office of Student Life. OCD credit is available for this event.
