**Men of Color Initiative Program**

**Tuesday, September 16, 3 - 4 p.m. and 5 - 6 p.m., in Brown Center [BC], Room 310**

The Men of Color Initiative Program (formerly known as Black Male Initiative or BMI) will hold an informal meeting for the fall semester. Join us as we reunite with old acquaintances (male and female) and make new ones!

**Library Workshops**

Throughout the spring semester, the Library Department is offering workshops that will enhance student success in research for their classwork. OCD credit is available to all workshop attendees. This week’s workshops will be held in North Hall [NL], Room 210.

- **Monday, September 15**  
  10 - 11 a.m.  
  **Media Resources for Research:** Looking for new ways to better prepare your class presentations and papers? Consider adding media. The library can provide access to an impressive number of media sources. In this exploratory session, you will learn about exciting sources for images, music and film, with tips for incorporating media into your project.

- **Tuesday, September 16**  
  2 - 3 p.m.  
  **Introducing the CUNY+ Catalog and Its Many Tools:** How do we search the library for books, textbooks and other research material? This workshop will teach students how to read the results of their search and locate materials in the library; how to request books from other CUNY Libraries; how to work with CLICKS, our CUNY-wide service to obtain resources from other CUNY libraries; and how to compose an “Advanced Search” using the CUNY+ Catalog.

- **Wednesday, September 17**  
  3 - 4 p.m.  
  **eSearch for Research:** Learn how to access scholarly and peer-reviewed journals, use the Library’s resources from home, create a bibliography using APA and MLA citation styles and identify trusted and reliable sources.
**Fall Club Fest**  
Thursday, September 18, 12 - 2 p.m., in Brown Center [BC] Upper and Lower Patio  
Get involved with campus life – join a club! Make the most of your time at BCC. Club membership enhances your college experience with opportunities to explore academic programs and majors, professional and social networking, community service, school spirit and a whole lot more!  

**Save the Date**  
Friday, October 3, 10 - 11:30 p.m., in Meister Hall [ME] Schwendler Auditorium  
Join us for the opening of the Bronx Community College Geospatial Center of CREST Institute [BGCCI], a collaboration between BCC and the CUNY Remote Sensing Earth System (CREST) Institute. The newly formed BGCCI will be a state-of-the art facility that provides leadership in geospatial technology and its applications for both STEM and non-STEM disciplines. The primary function of the Center is to provide educational and research opportunities for BCC undergraduates, faculty and staff, specialized training through technical workshops and seminars for the industry, fostering international collaborations and enriching the global perspective of BCC/CUNY students. This presents an ideal opportunity for Bronx Community College – through the BCC Geospatial Center of the CREST Institute – to offer education and training in this emerging field of study.
