*To attend Blackboard workshops, you must have working BCC email and CUNY Portal accounts. Register online at https://cunyportal.cuny.edu/citizen_CUNY/new_user_registration/regchoice.html.

If you have any questions about the CTLT workshops, please contact Albert Robinson at: albert.robinson@bcc.cuny.edu or 718.289.5100, ext 3063.

Library Workshops
Throughout the spring semester, the Library Department is offering workshops that will enhance student success in research for their coursework. OCD credit is available to all workshop attendees. This week’s workshops will be held in North Hall [NL], Room 210.

Wednesday, October 1
11 a.m. - 12 p.m.

Evaluating a Website: Choosing and citing the right resources from the Web can be challenging. In this session, learn how to examine a website. Review the differences in domains and understand which are best to use in research writing. Know how to select and utilize the right web resources without frustration!

Wednesday, October 1
12 - 1 p.m.

Access Everywhere Cloud Research: Google Drive is a simple service that gives you space to save your research materials, write your papers and co-edit documents with fellow students. This workshop is designed to show students how to use Google Drive to save and organize research materials and projects.

Thursday, October 2
11 a.m. - 12 p.m.

Topic to Thesis: In this workshop, attendees will learn about the research process from start to finish. Understand how to turn your chosen topic into a strong thesis statement!

Thursday, October 2
12:30 - 1:30 p.m.

Library Tour: The BCC Library Department invites the first 20 interested students, staff and faculty to tour our new library, explore the library collection and find out how the library can support student, staff and faculty research needs. No one will be admitted 10 minutes after tour begins.

Fall Wellness Workshop
Wednesday, October 1, 12 - 2 p.m., in Loew Hall [LO], Room 200
Is depression getting in your way? Are you or a friend struggling with sadness and don’t know what to do? Do you wonder if you will ever feel better? If you see yourself or someone you know in any of these scenarios, please join us for a workshop on Understanding Depression. Let us teach you how to cope. OCD credit is available for this event. For more information, please call 718.289.5223. Presented by the Department of Psychological Services.
Fall Transfer Fair  
Thursday, October 2, 11:30 a.m. - 2 p.m. in Colston Hall [CO], Lower Level

Are you interested in transferring to a four-year college after graduation, but aren’t sure what steps to take? Explore your options at the Fall 2014 Transfer Fair! Meet with representatives from over 60 colleges and universities, including Adelphi University, Berkeley College, CUNY - John Jay College of Criminal Justice, Columbia University School of General Studies, Fordham University SPCS, Montefiore School of Nursing, SUNY Purchase and The New School. (The list of colleges is subject to change.) Raffles, giveaways and more will be available! For more information, please contact the Office of Career and Transfer Services, Loew Hall [LO], room 328 or call 718.289.5759.

Rainbow Alliance Workshop  
Thursday, October 2, 12:30 - 1:30 p.m. in Colston Hall [CO], Room 203

A relationship where one partner is in the closet and the other partner is out can pose challenges. While at first glance the idea of being with someone with a different level of “outness” can seem intimidating, there are different ways to look at and address these circumstances. Dr. Amy Ojerholm, Department of Psychological Services, will lead a discussion that explores LGBTQ relationships and the complex challenges that can plague them.

Geospatial Center of CREST Institute [BGCCI]  
Friday, October 3, 10 - 11:30 a.m., in Meister Hall [ME] Schwendler Auditorium

Join us for the opening of the Bronx Community College Geospatial Center of CREST Institute [BGCCI], a collaboration between BCC and the CUNY Remote Sensing Earth System (CREST) Institute.

The newly formed BGCCI will be a state-of-the-art facility that provides leadership in geospatial technology and its applications for both STEM and non-STEM disciplines. The primary function of the Center is to provide educational and research opportunities for BCC undergraduates, faculty and staff, specialized training through technical workshops and seminars for the industry and international collaborations that enrich the global perspective of BCC/CUNY students. This is an ideal opportunity for Bronx Community College – through the BCC Geospatial Center of the CREST Institute – to offer education and training in this emerging field of study.
