Disclaimer

Links to applications available through the College's Single Sign On solution, One Path, may bring visitors to sites that are not within the domain of the College and outside the control of the College or the University (i.e. Twitter, Instagram, LinkedIn, etc.). These links are provided for the convenience of visitors only. Bronx Community College is not responsible for the safety, privacy practices, activities, or content of such sites. Bronx Community College does not guarantee, approve, or endorse the information available on these sites, and unless expressly disclosed otherwise, does not have any affiliation with the sites' owners or operators.

Security and One Path

There are some concerns you need to be aware of if you are using One Path on a shared computer, such as those in public computer labs or the Library. Since you authorized and granted access to a Single SignOn service, you will also be granted access to all the SSO services without additional login prompts until you quit out of the web browser. The easiest way to protect your information is to log out One Path when you are done working. If you are stepping away from your computer, we recommend locking your screen while away.

What is EdReady?

EdReady™ is used to check mastery in a course of study, to plan for college and career opportunities, and to prepare for commonly used placement exams, such as AccuPlacer, Compass, SAT, and ACT.

Product Features: EdReady™ lets you assess your readiness for college math, see study options, and get a personalized study path to fill in knowledge gaps.

EdReady User Login

Step 1: Go to <https://bronco.sso.bcc.cuny.edu>

Enter your Bronco ID username and password in the following format.

Username: Your BCC email address (e.g. john.doe@bcc.cuny.edu; john.doe@stu.bcc.cuny.edu)

Password: Enter your current Bronco ID password (email password). If you need to change your Bronco ID password, visit the [Self-Service Account](#) Management page.

Step 2: After login to BCC One Path, you will be directed to you home page. Located on the Applications section, you will find the EdReady link.

Click on “EdReady” link

The screenshot shows the BCC One Path Application Portal. The header includes the Bronx Community College logo, 'BCC One Path Application Portal', and navigation options like 'Navigate' and 'Help'. The main content is organized into three sections:

- My BCC Apps:** Includes Student Email, OSSES, eReserves, TutorTrac, and ePortfolio.
- My CUNY Apps:** Includes CUNY Portal (Blackboard/DegreeWorks) and CUNYfirst MyInfo.
- Applications:** A grid of application icons including VMware Horizon, Lynda.Com, Dell Software Sign In, Career Connet - Manager, Tumblr, BCC Calendar, Financial Aid Upload, Career Connect - Students, Gmail, Tumbleweed | Login, Ed Ready, and eForms (ePAF). A yellow arrow points to the Ed Ready icon.

Based on your role as a Student or Faculty (Math Faculty only), you will be presented with different applications.

Password Update

Step 1: If you have changed your password directly from the EdReady application, you DO NOT have to update your password credentials in the BCC One Path, the Password Wallet. You will not be prompted to update your password credentials as BCC One Path does not maintain passwords for EdReady.

If you log in to EdReady directly after updating the password, you must continue to log in by using the updated password.
