While CUNY recognizes the importance that a change of name might have to students during their time with the University a preferred name is not a legal name, but is generally used to change how others refer to you. For this purpose, students may identify a preferred name to be recorded in the student system. Documents and records that may display a preferred name include, among other things, course rosters, student identification cards, student email addresses, and other documents issued by the University. A preferred name will not be reflected on, among other things, a student’s official academic record, diploma, or transcript. To change the name that is displayed/reflected on official academic record, diploma, or transcript students must follow the instructions on the Name Change Request form available in the Registrar’s Office. Official and legal name changes require specific documentation outlined on that form.
