DIGITAL ARTS

@ BRONX COMMUNITY COLLEGE

Art & Music Department

DIGITAL ARTS A.A.S. Degree Program GRAPHIC DESIGN • INTERACTIVE MULTIMEDIA

The Digital Arts program prepares students for the dynamic field of graphic design by providing a career-oriented education in the design and production of visual materials through intensive training in visual foundations and state-of-the-art technology. Once the first two semesters are completed, students may choose between two options: GRAPHIC DESIGN, focusing on print and publication design, the oldest and most established part of the industry.

INTERACTIVE MULTIMEDIA, focusing on animation, interactivity, and multimedia, the newest and most rapidly developing sector of the industry.
