B. ADMISSION REQUIREMENTS FOR SENIOR COLLEGE PROGRAM

About the Program

The undergraduate program in Sociology at Lehman College is intended to serve three principal objectives:

1. to contribute to the liberal education of all students by providing an understanding of psychology as a science and as a profession;
2. to provide an understanding of psychological principles and techniques for those students interested in work in other behavioral and social sciences and in professional fields such as education, social work, and medicine; and
3. to establish a sound foundation for those planning to pursue graduate studies in psychology that can lead to careers in college teaching, scientific research, clinical psychology, and school psychology or to professional work in industry, government, and social agencies.
