|---------------------------------|
| <input type="checkbox"/> FYS 11 |
|---------------------------------|

<sup>1</sup>Students may select either a 4-credit STEM variant science course or a 3-credit science course to fulfill Required Core C. Students selecting a 3-credit course must also complete an additional 1-credit lab course to fulfill graduation requirements.

<sup>2</sup> Choose any ENG course from ENG 120-199.

<sup>3</sup>Select from any Modern Language listed at appropriate level with the exception of ITL 123. The Modern Language Department will consider exemption requests for students who present appropriate evidence that they have completed full-time study at a college or university outside of the United States in which the language of instruction was other than English. These students will be exempted from a foreign language requirement at Bronx Community College.

<sup>4</sup>One or more sections of this course/requirement are typically offered that have **zero textbook costs**. Search for the course attribute "OER" (Open Educational Resource) to find the zero-textbook-cost section

NOTE: Students are encouraged to begin transfer planning early in their academic careers. Please visit the Transfer Planning web site for the timeline as well as information on articulation and transfer. <http://www.bcc.cuny.edu/TransferCounseling/>

**REQUIRED COMMON CORE** (Course list at: <http://www.bcc.cuny.edu/pathways/?p=Required-Common-Core>)

|                            |   |              |
