¹ This program has obtained a waiver to require STEM variant courses in Required Core Area B and Area C and Flexible Core Area E. If students transferring into this program complete different courses in these areas, they will be certified as having completed the Common Core requirements, but it may not be possible for them to finish their degree within the regular number (60) of credits.

²For students who take MTH 30 to fulfill the Required Core, there will be no free electives.

³See your department advisor for the appropriate sequence of specialization courses.

NOTE: Students are encouraged to begin Transfer Planning early in their Academic careers. Please visit the Transfer Planning web site for the timeline as well as the information on Articulation and transfer. <http://www.bcc.cuny.edu/TransferCounseling/>
