FRESHMAN REQUIREMENT

<input type="checkbox"/> FYS 11 / OCD 1

¹Students may select either a 4-credit STEM variant science course or a 3-credit science course to fulfill Required Core C. Students selecting a 3-credit course must also complete an additional 1-credit lab course to fulfill graduation requirements.

²Choose from any ENG course above ENG 16 with the exception of ENG 223.

³Students who enter with successful completion of two years of a foreign language in high school have fulfilled their college language requirement. These students will take additional language coursework or choose other free elective credits.

Note: Students are encouraged to begin transfer planning early in their academic careers. Please visit the Transfer Planning web site for the timeline as well as information on articulation and transfer.
