□ ENG 1 (4) ►	ENG 2 (4)		
□ RDL 1 (4) ►	RDL 2 (6)		
☐ MTH 1 (4) ▶	MTH 5 (6)		
CHM 2 (4)			

GRADUATION REQUIREMENTS

CAT-R CAT-W

 □ CAT-M
 □ GPA ≥ 2.0

 □ Writing Intensive 2

FRESHMEN SEMINAR

FYS 11 / OCD 1

 1 Students planning to transfer to a four-year college should take MTH 30 or 31. The prerequisite for MTH 30 is MTH 6.

² Students may select either a 4-credit or a 3-credit science course. Students selecting a 3-credit course must also complete an additional 1-credit lab course to fulfill graduation requirements.

³In an effort to provide students with a well-rounded liberal learning experience, students are encouraged to fulfill this requirement by selecting courses from Flexible Core Areas B, C or E as these areas are not already required by this program.

⁴Select two credits in Physical Education or one course in Health Education.

⁵Students who have completed MTH 06 (or three years high school mathematics) and intend to transfer to a four-year college may take BUS 41 instead of BUS 111.

⁶CWE 31 is a two (2) credit course. A student should enroll in CWE one year before graduating or when starting the third semester. See the CWE advisor in Loew Hall, Career Services, during the second semester. Students who are employed full-time are not required to complete CWE. A waiver must be obtained from the Department Chairperson by submitting documentation of current full-time employment. After a written waiver of CWE is obtained, the student must substitute the required CWE credits with any course(s) offered by the Business and Information Systems Department. College Work-Study assignments within CUNY may not be used as substitutes for the CWE internship.

REQUIRED COMMON CORE

ΠA	English Composition	
	ENG 10 OR ENG 11, and ENG 12, ENG 14, ENG 15, or ENG 16	6
