¹ Students must choose ONE science course. This course may be selected from courses included in Required Core C or Flexible Core E.

² Department permission required.

³ Students must take FYS 11 prior to earning 24 degree or equated credits. Students who have earned 24 or more degree or equated credits are permitted to use the one credit as a free elective. It is highly recommended that students take FYS 11 in their first or second semester. This requirement will be waived for students who have earned 24 or more degree or equated credits at BCC or another college and transfer into this program.

² Students transferring into the program with 24 or more degree or equated credits will be required to complete only 60 credits to graduate.

This document is for advisement purposes only and does not represent an official listing of degree requirements; please consult the college catalog, as well as DegreeWorks via the CUNY Portal.
