The Office of Career Development

The purpose of this office is to provide all Bronx Community College students with quality career building and services to prepare them for internships and employment in their fields of study. Students in need of immediate employment can receive assistance through our “Fast Track Jobs Checklist” program. To qualify for internships and jobs related to a major, students must complete the requirements of the “GOOD-TO-GO Checklist” program.

The goal of the Career Dev Team is to prepare students for the world of work through direct experience. The support and assistance of our office also includes:

› Self-assessments: determine a major in line with your career interests and goals.
› Online Programs and Workshops: resume and cover letter writing made easy.
› Big Interview: an online system that teaches you, through practice, how to answer interview questions.
› On-Campus and Off-Campus Job Preparation Events: designed to inform you about career expectations, creating targeted resumes, how to network in a specific career field, and more.
› Ongoing Recruitments: incoming internships and job opportunities announced on Symplicity.

Freshmen - Discover and Plan
(0-15 credits)

Do you have a career plan? Are you Good-to-Go?

Here’s a road map that can guide your journey to accomplishing your 2-year college degree with experience in your major.

☐ Call or visit the **Office of Career Development** to schedule an appointment with your **Career Specialist** to develop a plan.

☐ Not sure about your **current major?** Learn how to use the self-assessment tools of **FOCUS 2** to determine a major. Through FOCUS 2, **discover the majors** and career options that best match your personality, interests, skills, and values.

☐ Meet with your Career Specialist to begin completing the **“Good-to-Go Checklist”** requirements to qualify for an internship and/or employment in your field of study.

**What is a Career Specialist?**

The Career Dev Team is composed of Career Specialists responsible for working with students from the start of enrollment until graduation and beyond. Each Career Specialist manages specific majors, thereby allowing them to develop and expertise with current knowledge and resources in their specialties. Students are encouraged to schedule an appointment to meet their career specialist and begin their journey to career success!

**Reminder:** The more experience you can acquire through volunteer work, internships or jobs related to your major, the more employable you’ll be upon graduation.
Freshmen - Explore  
(16-30 credits)

Congratulations! You have finished your first semester in college. Now that you’ve learned a little more about yourself as a college student, it’s time to move on to the exploration phase of your plan.

☐ **Get involved** in a club, organization, the Student Government Association, and/or sports activities. Choose at least one to develop your *leadership skills*.

☐ Acquire further *computer skills* relevant to your major or career interests.

☐ Attend our *career preparatory workshops* (e.g., resume/cover letter writing, interviewing techniques, and job search strategies using the internet).

☐ Work with your Career Specialist to **build your resume** for academic and professional opportunities.

☐ Participate in a mock interview to **evaluate and practice** your interviewing skills.

☐ Schedule an appointment with your Career Specialist to discuss internship opportunities.

Now you are prepared to **gain experience** in a field related to your major through an **internship, volunteer work, federal work-study program, or employment**.
You are approaching graduation sooner than you think. It’s not too early to plan the steps necessary to gain meaningful employment upon graduation or admission into a four-year college/university.

☐ Update your resume and continue attending career preparatory workshops.

☐ If **planning to transfer** to a four-year program after graduation, begin researching four-year colleges/universities and speak to the Transfer Specialist in Loew Hall.

☐ Meet with a Career Specialist to **plan your next step** after graduation: employment vs. attending a four-year college/university.

☐ Attend **career and employment preparatory workshops to complete your Good-to-Go Checklist** (e.g., Resume Writing, Workplace Success, Internship Orientation, Interviewing Skills and Big Interview).

☐ Attend a BCC Transfer Fair.

☐ **Continue** to obtain **career-related experience** through additional internships, volunteer work or employment.

☐ **Maintain** an active role in campus activities and organizations to continue **developing** your communication, networking, teamwork and leadership **skills**.
Your Last Semester!

Commit, Commit, Commit!
(46-60+ credits)

Be ready to make decisions about your career options. It’s time to integrate your exploration, planning and knowledge acquired since your first semester. Make a commitment by taking the steps necessary to begin your career and/or further your education.

☐ Apply for Graduation.

☐ Acquire more experience through volunteer work, internship, or employment

☐ Prepare the tools needed for the job search by updating your resume, cover letters, academic and/or professional references, portfolios, and professional attire.

☐ Create a LinkedIn account to begin networking

☐ Design a job search strategy plan—how and where you will find job leads and career resources.

☐ Use our Career Lab to access Symplicity, Vault, and other resources to research and identify prospective employers and job opportunities.

☐ Attend as many career fairs as you can, including BCC’s industry based job/internship career fairs, and other employment events to access more job opportunities.

☐ Maintain a job search/networking log of employer information and positions of interest.

Reminder: BCC Alumni are entitled to services provided by the Office of Career Development.
