Request for Funds

- Interim VP & Provost Luis Montenegro requested funds to cater student events such as, the Conference Led by Nursing Students, the Spring Transfer Fair, the Math & Science Fair, the Honors Program Reception and the Deans and Presidents Award Reception. Gregory Rosenberg, Finance Specialist, advised that traditionally, catering orders such as these come out of Auxiliary’s budget. The motion was so moved by Ms. Valenzuela, seconded by David Taylor and unanimously approved.
• Associate Dean Alexander Ott requested funding to pay the consultant that worked on the Academic Master Plan (AMP). Dr. Ott worked closely with former Lehman Provost on the AMP. Dr. Debra Gonsher mentioned that the contract, which was part of the supporting documentation for the request, was not signed. Students are covered for the tuition and there are scholarships for travel. The question of how students are chosen for this program was asked. Professor Urda advised students are vetted and a GPA of 2.75 is required (which is common among study abroad programs). It was mentioned that BCC Inc. also has study abroad funds. About 10 students will be chosen. BCC students will be given preference and first choice. President Isekenegbe asked for a motion to approve the request, was so moved by Ms. Valenzuela, seconded by Katherine McGuire and unanimously approved.
