Contact phone #_____________________

10. Reference Information (Provide a name, email id and phone number of a teacher who knows you very well and can send us a recommendation letter describing your character and discipline in learning)

Name:______________________________________________________________
Email ID:____________________________________________________________
Phone number: __________________________ Work/Office number: ______________

Submit the completed application form (as a scanned attachment) to Dr. Sunil Bhaskaran, the director of the program by the 10 June, 2019. His email id is Sunil.Bhaskaran@bcc.cuny.edu

Note: Only those applicants who are shortlisted will be contacted. Unless you get a written email confirmation you must not assume you are selected for the workshop.
Participants Agreement Letter

Brief description of the program:

The workshops will provide selected participants with an opportunity to learn about Geospatial Technology and its applications. Carefully designed sessions will give them an opportunity to learn about spatial technology and get hands-on training at the Geospatial Computing Center. Interactions with experts from the Industry will inform them about exciting courses and careers in geospatial industry. The workshop is designed to enthuse and inform the participants about spatial concepts, spatial thinking and the world of Geospatial Technology. It will provide a rare opportunity for them to learn an emerging technology and earn a handsome stipend.

Participant Responsibilities:

I will work in a committed and diligent manner to deliver the tasks (given below) that are expected of me in this program. Additionally, I will do the following below:

1. Attend all workshop sessions on time and sign-in and out the attendance sheet.
2. Submit important documents such as DOs and DON'T’s, photo release and data collection forms in a timely manner.
3. Submit all tasks assigned and answer all questions at the end of each exercise
4. If for any reason, an emergency situation happens and cannot attend a session, I will communicate on time with my instructor and I will provide appropriate documentation to justify my absence. I will also make up the exercise of that particular session in the next session either by coming in earlier or staying after the workshop session ends.
5. I will keep a good behavior at the lab and talk and treat with respect my instructors and classmates.
6. Prepare a high-quality PowerPoint presentation with a topic assigned by my instructor, which I will present at the closing ceremony of the workshop.

I understand that if I do not abide by the above I may not be eligible for the stipend.
