¹ English majors will be advised to take ENG 113, Writing About Literature, as their second composition course. However, the following courses will be accepted as fulfilling this requirement as well: ENG 112 Composition and Rhetoric II; ENG 114 Written Composition and Prose Fiction; ENG 115 Written Composition and Drama; or ENG 116 Written Composition and Poetry.

²Students planning to transfer to John Jay College are advised to take one of their ENG electives in the flexible core.

³The Modern Language Department will consider exemption requests for students who present appropriate evidence that they have completed full-time study at a college or university outside of the United States in which the language of instruction was other than English. These students will be exempted from a foreign language requirement at Bronx Community College. ⁴This requirement is satisfied if a student takes a 4-credit STEM variant course in Required Area C.

⁵Students planning to transfer to John Jay College should choose from among these ENG electives: ENG 121, 133, 147, 148, 150, 151, 153, 156, 157, 161, 154.

Note: Students are encouraged to begin transfer planning early in their academic careers. Please visit the Transfer Planning web site for the timeline as well as information on articulation and transfer. http://www.bcc.cuny.edu/TransferCounseling/

The program articulates with John Jay College B.A. in English.
