---------------------------------

<sup>1</sup>Students in this curriculum are strongly advised to take MTH 23 to fulfill required Core Area B.

<sup>2</sup>The curriculum has obtained a waiver to require its students to take BIO 23 and BIO 24 in the required and flexible Common Core Areas C and E. Students planning on continuing their education in Therapeutic Recreation may opt to take any 4 credit Flexible E science course in place of BIO 24.

<sup>3</sup>One or more sections of this course/requirement are typically offered that have **zero textbook costs**. Search for the course attribute "OER" (Open Educational Resource) to find the zero-textbook-cost section.

<sup>4</sup>If this course satisfies a flexible core area, additional free electives credits must be taken.

#### NOTE:

- This is a joint degree program with Lehman College's BS in Therapeutic Recreation.
- Students are encouraged to begin Transfer Planning early in their academic careers. Please visit the Transfer Planning web site for the timeline as well as information on articulation and transfer: <http://www.bcc.cuny.edu/TransferCounseling/>
