¹ Successful completion of this course is equivalent to successful completion of ENG 1. Students may be able to register for ENG 2, or ENG 110 if they have a passing score on RDL 2 or CAT-R.

² Select from any Modern Language listed at appropriate level with the exception of ITL 123. The Modern Language Department will consider exemption requests for students who present appropriate evidence that they have completed full-time study at a college or university outside of the United States in which the language of instruction was other than English. These students will be exempted from a foreign language requirement at Bronx Community.

³ It is highly recommended that students take FYS 11 in their first or second semester. Students who have earned 24 equated/degree or more credits are allowed to use the one credit as a free elective.

⁴ Students may select either a 4-credit STEM variant science course or a 3-credit science course to fulfill Required Core C. Students selecting a 3-credit course must also complete an additional 1-credit lab course to fulfill graduation requirements.

⁵ Students with remedial placement above ENG 1 & RDL 1 will take HIS 11.

⁶ Choose any ENG course from ENG 120-199
