¹ Successful completion of this course is equivalent to successful completion of ENG 1. Students may be able to register for ENG 2, or ENG 110 if they have a passing score on RDL 2 or CAT-R.

² Students with remedial placement above ENG 1 & RDL 1 will take HIS 11.

³ Modern Language courses must be taken sequentially. Select from any Modern Language listed at appropriate level with the exception of ITL 123. The Modern Language Department will consider exemption requests for students who present appropriate evidence that they have completed full-time study at a college or university outside of the United States in which the language of instruction was other than English. These students will be exempted from a foreign language requirement at Bronx Community College.

⁴ FYS if taken, it should be in the first semester.

⁵ Students may select either a 4-credit STEM variant science course or a 3-credit science course to fulfill Required Core C. Students selecting a 3-credit course must also complete an additional 1-credit lab course to fulfill graduation requirements.
