¹ Modern Language courses must be taken sequentially and in the same language. Select from any Modern Language listed at appropriate level with the exception of ITL 123. The Modern Language Department will consider exemption requests for students who present appropriate evidence that they have completed full-time study at a college or university outside of the United States in which the language of instruction was other than English. These students will be exempted from a foreign language requirement at Bronx Community College.

² If FYS is taken, it should be in the first semester.
