<sup>1</sup> All students wishing to enter and progress in the Nursing curriculum must meet specific criteria found in BCC catalog at <http://www.bcc.cuny.edu/college-catalog>.

<sup>2</sup> Nursing candidates must complete all pre-clinical courses with a cumulative 2.70 GPA. This includes a minimum grade of "C" or better in COMM 11, ENG 110/111, and PSY 11; as well as a "C+" or better in BIO 23 and PHM 10. If a student has earned a passing grade of C-, D+, D, D- or a failing grade of F or WU in COMM 11, ENG 10 or 11, or PSY 11, the student will not be eligible for admission into the nursing program (RN) even if she/he retakes the course. This also applies to students who transfer into BCC's Nursing Program from other institutions.

<sup>3</sup> CHM 2 is a pre-requisite for CHM 11 and CHM 17. You can place out of CHM 2 by taking a Chemistry Department administered Chemistry Placement Exam or by having scored 75 or higher on the NYS High School Regents Chemistry exam.

<sup>4</sup> A grade of C or better is required in BIO 24 and BIO 28. BIO 24 and BIO 28 may be repeated once to achieve a grade of C or better
