GRADUATION REQUIREMENTS

| |
|------------------------------------|
| <input type="checkbox"/> GPA ≥ 2.0 |
|------------------------------------|

¹Students with prior ENG 1/RDL 1 placements (or English Proficiency Index < 50) will now take ENG 4 or RDL 4. Passing ENG 4 or RDL 4 will allow them to register for ENG 110.

^{*}To be eligible for admission into Animal Care and Management courses, a student must achieve the following in addition to the listed course prerequisites:

^{•2}A minimum grade of "C" or higher in BIO 11 General Biology I prior to attempting BIO 15 Zoology. BIO 11 can be repeated only once to achieve the minimum required "C" grade needed to take BIO 15.

^{•3}A minimum grade of "C+" or higher in BIO 15 prior to attempting ACM 90 Animal Care and Management Internship. BIO 15 can be repeated only once to achieve the minimum required "C+" grade needed to take ACM 90.

A grade of "W" will not be counted in a student's two attempts in BIO 11 or BIO 15 to meet the minimum grade requirement. If a student repeats either BIO 11 or BIO 15, the higher of the two grades will determine eligibility. Students are permitted to transfer BIO 11 credits from other institutions that are grades of "C" or better.

See Degree map at <http://www.bcc.cuny.edu/academics/academic-advising/degree-maps/> for semester-by-semester sequence.
