🗌 D	Individual and Society ECO 11	5	

B US Experience In Its Diversity-ECO 12 OR 3 D Individual and Society ECO 11 3	

Pathways Total: 21

¹Students with prior ENG 1/RDL 1 placements (or English Proficiency Index < 50) will now take ENG 4 or RDL 4. Passing ENG 4 or RDL 4 will allow them to register for ENG 110.

²Students who have completed MTH 06 (or three years high school mathematics) and intend to transfer to a four-year college may take BUS 41 instead of BUS 111.

³Students must take FYS 11 prior to earning 24 degree or equated credits. Students who have earned 24 or more degree or equated credits are permitted to use the one credit as a free elective. It is highly recommended that students take FYS 11 in their first or second semester. This requirement will be waived for students who have earned 24 or more degree or equated credits at BCC or another college and transfer into this program.

⁴Students must take BUS 110, as BUS 10 is no longer offered.

⁵Students planning to transfer to a four-year college should take MTH 30 or 31. The prerequisite for MTH 30 is MTH 6. Students with prior MTH 5 placement (or Math Proficiency Index of 40 to 59) may now take MTH 20. Passing MTH 20 is equivalent to MTH 23.

⁶Reserved for students who have English remedial need and enroll in ENG 2, RDL 2, or ENG 110 as a corequisite.

⁷Students may select either a 4-credit or a 3-credit science course. Students selecting a 3 credit course must also complete an additional 1-credit lab course to fulfill graduation requirements.

⁸CWE 31 is a two (2) credit course. Students should enroll in CWE 31 one year before graduating or when they have completed 30 credits towards their degree. Students should see the CWE 31 Coordinator in the Department of Business and Information Systems, during their second semester. Students who are employed full-time are not required to complete the internship portion of CWE 31, provided their employer agrees to participate in course-related surveys. Permission must be obtained from the CWE 31 Coordinator or Department Chairperson by submitting documentation of current full-time employment College. Work-Study assignments within CUNY may not be used as substitutes for the CWE internship.

⁹In an effort to provide students with a well-rounded liberal learning experience, students are encouraged to fulfill this requirement by selecting courses from Flexible Core Areas B, C or E as these areas are not already required by this program.

¹⁰Students transferring into the program with 24 or more degree or equated credits will be exempt from FYS 11 and only required to complete 60 credits to graduate.

RECOMMENDED 2-YEAR ACADEMIC PLAN

SEMESTER I Freshman		Credits
ENG 110 ¹ OR ENG 111	Fundamentals of Composition and Rhetoric ¹ OR Composition and Rhetoric I (Required Core A)	3
BUS 1112	Applications of Mathematics for Business ²	3
ACC 111	Principles of Accounting I	4
ECO 11 OR ECO 12	Microeconomics (Flexible Core D) OR Macroeconomics (Flexible Core B)	3
KEY 10	Keyboarding for Computers	1
FYS 11 ³	First Year Seminar ³	0-1
	Subtotal:	14-15

SEMESTER II Freshman

ENG 112 OR ENG 113	Composition and Rhetoric II OR Writing About Literature OR Written	
OR ENG 114 OR ENG 115	Composition and Prose Fiction OR Written Composition and Drama OR	
OR ENG 116	Written Composition and Poetry (Required Core A)	3
