Breakdown of Gallery/Concert Performance Expenses-'19-'20

Contract Services - \$9,600.

See attached document.

Event Insurance - \$1,750.

Honoraria - \$2,520.

One honorarium of \$1,200. will be awarded to our February painter/sculptor, Emmett Wigglesworth who is a founding member of the Weusi Artist Collective in honor of Black History Month.

A second honorarium of \$900. will be awarded to NYC mixed-media artist Lina Puerta for her exhibition in celebration of Women's History Month, March '20-April '20. Two honoraria of \$220. each will be awarded to two music students who will usher at (7) concert performances throughout the year.

Liability Insurance - \$1,600.

This figure is based on the amount paid for 2018-2019.

Meetings/Refreshments - \$1,869.29.

We will have a reception for each exhibition mounted in the Hall of Fame Gallery during 2019-2020 year. The six exhibitions for the year are listed on the attached document. Each of six exhibitions will have an estimate of under \$200 to \$306 allocated for refreshments depending on anticipated attendance. All 21 concert musicians will be given bottled water as a courtesy amounting to \$31.29.

Payroll Processing - \$492.

As Instructed by Gregory Rosenberg, payroll processing amounts to 4% of salary totals for student interns.

Supplies - \$348.71

Supplies will be purchased with remaining funds in budget. Supplies include installation materials, mounting and display boards, among other gallery related items.

Salaries - \$12,300.

Five student interns will assist in gallery operations for the 2018-2020 year. Workload for each intern will vary throughout the year depending on whether a show must be installed or de-installed, or whether the intern is manning the exhibition space while an exhibition is running. An intern can work between 2 to 10 hours a week, therefore an exact salary for each student cannot be calculated. If a gallery intern works an average of 6.3 hours a week over a 26-week period, that is 164 hours total for each intern over the year. For the Fall and Spring semesters, the hourly rate will be \$15.00 per hour. per hour.

$164 \times \$15 = \$2,460$. Per intern.

$\$2,460 \times 5 \text{ Interns} = \$12,300$.

Fringes - \$1,599.

As Instructed by Gregory Rosenberg, fringes account for 13% of the salary total (6.2% for Social Security, 1.45% for Medicare, 3% for State Unemployment, 2.35% for Worker's Comp).

$\$12,300 \times .13 = \$1,599$

Total- \$32,685.

MEMORANDUM

To: The Budget Committee

From: Jitinder Walia, Executive Director, BCC Early Childhood Center

Date: September 19, 2019

Re: 2019-2020 Budget

BCC Early Childhood Center is requesting to use the \$88,468.78 projected monies of the student development fees towards its staff salary. This allocation would assist in expensing approximately 5% of its personnel budget.

The Early Childhood Center plays a vital role in student-parent retention. At present, the Early Childhood Center is serving over 100 families. The center provides care during the day for preschoolers Monday through Saturday and evening care for school age children Monday through Thursdays.

We will continue to provide an enriched program supportive to the needs of BCC's student-parents while they work to obtain their degree. We look forward to your continued support.
