5 Easy Steps to Register

1 – Print Your DegreeWorks Audit

Review your Degree Audit to learn which classes are needed for your major and make a list of courses you wish to take.

To access your student audit go to: DegreeWorks (https://degreeworks.cuny.edu/)

Log in using your CUNYfirst username (followed by @login.cuny.edu) and your CUNYfirst password.

If you notice any issues with your audit, please email the DegreeWorks Coordinator at dw@bcc.cuny.edu.

DegreeWorks is a computerized degree audit program and academic advising tool designed to assist in reviewing your degree progress. DegreeWorks reorganizes your transcript chronologically and categorically, easily identifying courses you have completed and those courses you still need to fulfill your degree requirements.

For more information, visit: Online Advisement – DegreeWorks
(http://www.bcc.cuny.edu/registrar/online-advisement-degreeworks/)

2 – Log in to OSSES to View Your Department’s Advising Schedule

Log in here: (https://wa01.bcc.cuny.edu/)

If you are unable to keep an advisement appointment, you must consult with your department for alternate advisement times.

3 – Contact your Departmental, Program or Academic Advisor

Students must contact an advisor to discuss the required courses needed for the upcoming semester. Be sure to bring your printed degree audit with you to the advisement meeting. Once you have met with an advisor, your advisement service indicator (hold) will be cleared for registration.
4 – Search for Your Classes and then Register

Explore our on-campus and online offerings (http://www.bcc.cuny.edu/course-finder/) available for in-demand subjects, such as cybersecurity, business, science, and more! Check out all the term options available when you’re planning your schedule.

Log in to CUNYfirst (https://cunyfirst.cuny.edu/) to see the date and time that you may begin to register for classes. To register, select the enroll link on the Student Center page to open up the registration component. You can register online from home or an on-campus computer lab. All holds that affect enrollment must be cleared prior to enrolling.

REGISTRATION NAVIGATIONAL STEPS

1. HR/Campus Solutions > Self Service > Enrollment > Enrollment: Add Classes
2. Choose your registration term (e.g., Spring 2021) and select Continue.
3. Click the green Search button to search the schedule of classes.
4. Under Search Criteria, select at least 2 search fields (subject, course number).
5. To further refine your search, select Additional Search Criteria. Select Search.
6. Review the search result and choose the sections that best fit your schedule.
7. Once you have made your selection, choose Select Class.
8. Select Next to add the class to your Shopping Cart.
9. Keep adding classes to your Shopping Cart until you have selected all the classes needed for registration.
10. Confirm your classes by clicking Finish Enrolling.

Important Note: Adding classes to your shopping cart does not confirm enrollment. Your registration is not complete until you click Finish Enrolling.

5 – Pay Your Tuition and Fees

Tuition charges will be billed to your student account and may be viewed online through CUNYfirst (https://home.cunyfirst.cuny.edu/) after registering for classes. All students must pay their bill by the due date on the bill. Visit http://www.bcc.cuny.edu/campus-resources/bursars-office/ for Tuition and Fees and Payment Options.

UPLOADING A STUDENT DOCUMENT IN CUNYFIRST

There may be times when you are required to upload a scanned document, completed form, file or record to securely submit the following types of information to your college or the University:

- Admissions documents
- Financial aid documents

File names for your uploaded documents should be descriptive and include your name so they are easier for administrative staff to work with—especially if multiple files are uploaded concurrently. Avoid file names like Scan-129-04042020.pdf or 20200404_133911.jpg.

To upload and submit documents using CUNYfirst:

   A message displays to inform you that you are transferring to the Student Documents Repository system.

6. Click the OK button to continue with the document upload. If you are presented with a Student Documents Repository login prompt, enter your CUNY Login credentials, and click Log in.

   A Student Documents Repository page is displayed. Depending on the document class selected, the page may contain Properties fields with your name, Emplid (8-Digit CUNYfirst ID) and the document class and type selections from CUNYfirst.

   Note: If you are using a mobile device and your emplid and name are not displayed, change the browser settings to desktop mode and refresh the page. Your documents will not upload correctly if this information is not displayed.

WITHDRAWAL/VERIFICATION OF ENROLLMENT (VOE)

WD  Officially withdrew a class after the financial aid certification date and prior to the end of the refund period.
W   Officially withdrew from course. No Penalty. Student had participated in an academically related activity at least once.
WU  Withdrew unofficially and/or Excessive Absence (counts as a failure). Student had participated in an academically related activity at least once.
WA  The grade applied to students who are excluded from classes for reasons of non-compliance with immunization regulations.
WN  Withdrew unofficially and never attended or participated in an academic related activity at least once

What is Verification of Enrollment (VOE)?
• Federal regulations require that faculty submit a VOE Roster, “Verification of Enrollment” in CUNYfirst each semester. The VOE Roster is important as it provides verification that the student has attended or participated in an academically related activity at least one time, which is necessary for the student to be eligible for Financial Aid.
  • If a student is assigned a WN Grade on the VOE (No for Never Attended) it will have an impact on both Financial Aid and the student’s ability to access their class in Blackboard.
    • Once a WN has been entered, the Student will no longer have access to the course in Blackboard.
    • Blackboard Access is restored for the student only when the WN is officially removed from the Students Record in CUNYfirst. This can take 24 to 48 hours to occur.
    • CTLT will not be able to override the system and place the student back into Blackboard.
  • If it becomes necessary for a faculty member to reverse the WN Grade for a student (ex. clerical error), this can be initiated through the WN Attendance Reversal Link in OSSES under Academic Tools.
  • The WN Reversal Form in OSSES is a request for the WN grade to be reversed and does not have any impact on the actual reversal process in the CUNYfirst System. The reversal process in CUNYfirst is a manual process that involves many steps.
  • The WN Reversal OSSES Email acknowledges the receipt of the request and does not indicate it was acted upon in CUNYfirst.
  • Reversing a WN Grade indicates that the student has attended your class or participated in an academically related activity at least one time.
CLASS PARTICIPATION

What constitutes as class participation?
Below are examples of Academically related activities that were included in a Memorandum dated October 20, 2017 from Executive Vice Chancellor and University Provost Vita Rabinowitz.

Academically related activities include, but are not limited to:
♦ physically attending a class where there is an opportunity for direct interaction between the instructor and students;
♦ submitting an academic assignment;
♦ taking an exam, an interactive tutorial or computer-assisted instruction;
♦ attending a study group that is assigned by the faculty;
♦ participating in an online discussion or activity about academic matter;
