

A. Sending and Receiving Institutions

Sending College: Bronx Community College of the City University of New York

Department: Education and Reading

Program Liberal Arts and Sciences-Early Childhood and Childhood Education Option

Degree: Associate in Arts

Receiving College: Medgar Evers College of the City University of New York

Department Education

Program Special Education and Early Childhood Education

Degree: Bachelor of Arts

B. Admission Requirements for Senior College Program

(e.g., minimum GPA, audition/portfolio)

In keeping with the Education Department's conceptual framework, the Department has implemented policies that ensure that its candidates demonstrate the academic and professional skills and competencies addressed in the New York State Teacher Certification Exam (NYSTCE) as well as the intellectual acumen and academic skills and proficiencies needed to meet the Department standards successfully.

- 1. Minimum Overall Grade Point Average 2.7.
- 2. Candidates are required to take the Liberal Arts and Sciences Test (ALST) part of the NYSTCE. This exam is used diagnostically. Candidates take workshops to develop test-taking skills.
- 3. All candidates are required to have an entrance interview with faculty members of the Department. The purpose of the interview is to assess the candidates' knowledge, skills and dispositions and to see if they can develop and progress within the milieu of the Department.
- 4. All candidates are required to have a 2.0 "C" or better in Core courses, a 3.0 "B" average in the English Core courses, a 2.7 "B-" average in Math Core courses, and a 2.7 "B-" in Science Core courses.

Associate in Arts Degree from Bronx Community College.

Bronx Community College graduates with the Liberal Arts and Sciences-Education Option (A.A.) will receive 60 credits toward a Bachelor of Arts in Special Education and Early Childhood Education. In addition, their coursework at Bronx Community College will be deemed to have fulfilled all lower division requirements for the Baccalaureate degree.

Total transfer credits granted toward the baccalaureate degree $\underline{60}$

Total additional credits required at the senior college to complete baccalaureate degree 64-66

C. Course to Course Equivalencies and Transfer Credit Awarded

CUNY Pathways General Education Requirements	
Students are required to have a	
 2.0 "C" or better in Core courses, 	
 a 3.0 "B" average in the English Core courses, 	
 a 2.7 "B-" average in Math Core courses, and a 	
 2.7 "B-" in Science Core courses. 	
Required Common Core	Credits
A. English Composition (2 courses)	
B. Mathematical and Quantitative Reasoning (1 course)	12
C. Life and Physical Sciences (1 course)	
Flexible Common Core	Credits
A. World Cultures and Global Issues (2 courses)*	
*Students are encouraged to complete GEO 10.	
B. U.S. Experience in Its Diversity (1 course)	
C. Creative Expression (1 course)	18
D. Individual and Society (1 course)	
E. Scientific World (1 course)	

Sending College		Receiving College Equivaler (Or Other Evaluation)	nt	Transfer Credit Granted
Μ	ajor R	Requirements		
Note Students will complete a minimum of s	ix credits	s of these requirements within the Flexible Core.

E. Articulation Agreement Follow-Up Procedures

1. Procedures for reviewing, up-dating, modifying or terminating agreement

Bronx Community and Medgar Evers faculty will review implementation of the agreement once every four years to ensure that students are adequately informed of the program and to identify issues requiring attention.

2. Procedures for evaluating agreement, e.g., tracking the number of students who transfer under the articulation agreement and their success

After transfer into Medgar Evers College, the performance of Bronx Community College students will be tracked using the CUNY Institutional Research Data Base. The Medgar Evers Office of Institutional Research, Planning and Assessment will inform BCC about the academic progress of transfer students. Additionally, these students will be surveyed after graduation from Medgar Evers to determine educational and occupational experience and success, and Medgar Evers will share this information with BCC.

Medgar Evers provides advisement to all students entering the major.

3. Sending and receiving college procedures for publicizing agreement, e.g., college catalogs, transfer advisers, Websites, etc.

Notice of articulation will be placed in the respective catalogues, recruiting brochures, websites, and on the CUNY TIPPS website.

Respective transfer and academic advisers will be informed and provided with copies of this agreement.

Medgar Evers Admissions Office will make certain that materials are sent with recruitment officers for BCC's annual Transfer Day event.
