## Nursing (A.A.S. Degree)

### SUMMARY OF RN PROGRAM REQUIREMENTS

#### ADMISSION INTO THE REGISTERED NURSING PROGRAM IS VERY COMPETITIVE AND PRIORITY IS GIVEN TO CANDIDATES WITH THE HIGHEST:

- Pre-clinical GPA
- Standardized test score.

(The standardized test is determined by the Nursing Department. The initial exam must be taken at BCC. The department requires that students remediate before repeating the exam.)

#### IN ADDITION:

- Candidates must successfully complete all remediation including CHM 2 if needed.
- Candidates must complete all pre-clinical courses with a cumulative 2.70 GPA. This includes a minimum grade of “C” or better in COMM 11, ENG 110/111, and PSY 11; as well as a “C+” or better in BIO 23 and PHM 10.
- If a student has earned a passing grade of C-, D+, D, D- or a failing grade of F or WU in COMM 11, ENG 10 or 11, or PSY 11, the student will not be eligible for admission into the nursing program (RN) even if she/he retakes the course. This also applies to students who transfer into BCC’s Nursing Program from other institutions.
- A grade of C+ or better is required in BIO 23 and PHM 10. BIO 23 and PHM 10 may be repeated once to achieve a grade of C+ or better.
- A grade of C or better is required in BIO 24 and BIO 28. BIO 24 and BIO 28 may be repeated once to achieve a grade of C or better.
- Transfer students from other institutions must be in good academic standing. Students who are on academic probation, have failed out of a nursing program, or have been dismissed (ethical, integrity or safety issues) from any nursing program at a previous school are not eligible for admission to the BCC Registered Nursing (RN) Program.
- **TEAS V Examination:** Effective Fall 2013, the Bronx Community College (BCC) RN Nursing Program will be administering the TEAS V Admissions Examination for students interested in entering into the program for the Spring 2014 Semester. The National League for Nursing (PAX-RN) Examinations will no longer be administered for admission into the program after Spring 2013. Students who have a valid PAX-RN Examination will not be required to take the TEAS V. PAX-RN passing results (no older than [2] years will be honored until Spring 2015 for admission into the program. Students who are unsuccessful on the Spring 2013 PAX-RN examination will be required to take the TEAS V Examination. To be considered for admission into the BCC RN Nursing Program, applicants must obtain an individual score within the “Proficient” range. The TEAS V examination may be repeated provided the applicant participates in the Assessment Technologies Institute (ATI) testing remediation program before repeating the TEAS V examination.
- BCC students absent for one year or more will be held to the new admission and progression standards in effect at time of readmission.

#### Candidates must:

- Make an appointment with the Chair of the RN Program Admission Committee.
- Meet all requirements by the date specified on BCC Broadcast for the following semester.
