Total Credits Accepted for Transfer		60-63		Total Credits Accepted for Transfer		60-63	

Please note: While in most cases AAS Digital Design students earn all credits directly from BCC, some students may be awarded a small number of prior learning credits (maximum of 6) based on portfolio review and consistent with CUNY policy. BCC wishes to ensure that these BCC students with prior learning credits who transfer to FIT are treated the same as students who earned all their credits directly from BCC. Therefore, as part of this articulation agreement, FIT agrees that prior learning credits awarded by BCC will be honored by FIT.
