Review your Degree Audit to learn which classes are needed for your major and make a list of courses you wish to take.

To access your student audit go to: DegreeWorks (https://degreeworks.cuny.edu/)

Log in using your CUNYfirst username (followed by @login.cuny.edu) and your CUNYfirst password.

If you notice any issues with your audit, please email the DegreeWorks Coordinator at dw@bcc.cuny.edu.

DegreeWorks is a computerized degree audit program and academic advising tool designed to assist in reviewing your degree progress. DegreeWorks reorganizes your transcript chronologically and categorically, easily identifying courses you have completed and those courses you still need to fulfill your degree requirements.

For more information, visit: Online Advisement – DegreeWorks (http://www.bcc.cuny.edu/registrar/online-advisement-degreeworks/)

2 – Log in to OSSES to View Your Department’s Advising Schedule

REFUND POLICY

Students who pay their tuition bill and then officially drop their classes during the first three weeks of school will have their refund or liability calculated according to the tuition refund schedule. Refunds for credit card online payments (via the Nelnet payment plans) will be processed on the credit card that was used to pay the tuition. There is no refund of the credit card convenience fees. Failure to attend class, either by merely giving notice to the instructor or not showing up, is not considered officially dropping classes.

Refunds are mailed from the University’s Central Office directly to student’s home address that is on file with the college. Students can also sign up for direct deposit to their bank account. No cash refunds are given at the Bursar’s Office.

MILITARY REFUND

Special military refund regulations apply to students who enlist or are called to serve in the military service of the United States of America:

• Any refund request for U.S. Military, Peace Corps or VISTA service must be documented in order to process it.
• In the case of the U.S. Military, a copy of induction or military orders is required. In order to obtain a grade, a student must have attended class regularly for approximately 13 weeks (5 weeks for Summer Session) or 85% of the term’s work through acceleration may be given full credit for each course in which he or she has a grade of C or better.
• The student must follow their college’s policy on incompletes, and sign an incomplete contract with the instructor. The normal regulations apply, and grades will be recorded as failures if courses are not completed.
• Faculty makes the decision regarding eligibility for a grade.
• No refund will be made to a student who has been assigned an earned grade, regardless of whether the grade is passing or failing.

In instances where students enlist in the U.S. Military, the Peace Corps, or VISTA and do not attend class for a sufficient time to qualify for a grade but continue to attend class within 2 weeks of induction, a refund of tuition and all other fees except application fees will be made in accordance with the following:

• 100% refund for students who withdraw before the beginning of the 5th calendar week (3rd calendar week for Summer Session) after the scheduled opening date of the session.
• 50% refund for students who withdraw after the beginning of the 5th calendar week (3rd calendar week for Summer Session/Winter Session) after the scheduled opening date of the session.

REFUND FOR PERMIT STUDENTS

Bronx Community College students, on permit to other colleges, who have classes cancelled or are otherwise not able to complete registration, must obtain a written statement from the Registrar’s Office at the permit college stating what course they are registered for or not registered for at that college. Upon obtaining this information, submit the written statement and all registration receipts to the Bronx Community College Office of the Registrar so that your records will be updated which will initiate the process for a refund, if eligible.

Below are examples of Academically related activities that were included in a Memorandum dated October 20, 2017 from Executive Vice Chancellor and University Provost Vita Rabinowitz.

Academically related activities include, but are not limited to:
- physically attending a class where there is an opportunity for direct interaction between the instructor and students;
- submitting an academic assignment;
- taking an exam, an interactive tutorial or computer-assisted instruction;
- attending a study group that is assigned by the faculty;
- participating in an online discussion or activity about academic matter;
- Note: Logging into an online class is not sufficient, by itself, to demonstrate participation in an academically related activity by the student.
