## FRESHMAN SEMINAR

## $\square$ FYS 11

${ }^{1}$ ENG 1/ENG 2 \& RDL 1/RDL 2 are no longer offered. Students with ENG/RDL developmental need will now enroll in corequisite course ENG 100 (if English Proficiency Index is 0-49), OR ENG 110 (if English Proficiency Index is $50-64$ ).
${ }^{2}$ MTH 1/MTH 5/MTH 6 are no longer offered. They have been replaced by MTH 28/28.5. Students who have successfully completed an elementary algebra math intervention at a CUNY college (e.g., Math Proficiency Workshop, CUNY Start Math, Math Start, or MTH 5) are eligible for MTH 28.
${ }^{3}$ This program has received a waiver to require students to complete specific STEM/STEM Variant courses in Required Area B, Required Area C and Flexible Area E. If students transferring into this program complete different courses in these areas, they will be certified as having completed the Common Core requirements, but it may not be possible for them to finish their degree within the regular number ( 60 ) of credits.
${ }^{4}$ For MTH 28 enrollment, a new student must be CUNY Math Proficient, and will also have to meet one of the following criteria:
Mathematics high school GPA of at least 70 and successful completion of a course beyond Algebra 1, OR New York State Regents Trigonometry Score of at least 65, OR New York State Regents Common Core Algebra 2 Score of at least 65.
 semester-by-semester sequence.
${ }^{6}$ Students who place out of MTH 28 and/or MTH 30 will take elective course(s) to complete 60 total degree credits.
${ }^{7}$ Students transferring into the program with 24 or more degree or equated credits will be exempt from FYS 11, and can take 1 credit of elective to satisfy this requirement.
${ }^{8}$ See your department advisor for the appropriate sequence of specialization courses.
NOTE: Students are encouraged to begin Transfer Planning early in their academic careers. Please visit the Transfer Planning web site for the timeline as well as the information on Articulation and transfer: Transfer Services - Bronx Community College (cuny.edu)
