 $^{\rm 3}$ World Language courses taught in English (e.g., ITL 123) do not satisfy this requirement.

³Some languages (e.g., French and Spanish) require placement testing prior to enrollment. Please contact the World Languages and Cultures Department for more information.

³The World Languages and Cultures Department will consider exemption requests for students who present appropriate evidence that they have completed full-time study at a college or university outside of the United States in which the language of instruction was other than English. These students will be exempted from a foreign language requirement at Bronx Community College.

⁴ It is highly recommended that students take FYS 11 in their first or second semester prior to earning 24 credits. Students who have earned 24 or more credits are permitted to use the one credit as a free elective.

⁵ Students may select either a 4-credit science course or a 3-credit science course to fulfill Required Core C. Students selecting a 3-credit course must also complete an additional 1-credit lab course to fulfill graduation requirements.

 $^{\rm 6}\,\rm HIS$ 11 is reserverd for students who enroll in ENG 110 as a corequisite.

⁷See Common Core Pathways course listing.
