¹Students with English Proficiency Index (EPI) of 0-49 enroll in corequisite course ENG 100. Students with EPI of 50-64 enroll in corequisite course ENG 110. Students with EPI of at least 65 (or other English proficiency qualification) enroll in ENG 111. ³Students may select either a 4-credit or 3-credit science course. Students selecting a 3 credit course **must** also complete an additional 1-credit Lab course to fulfill graduation requirements. Please note that **ENV 11** is not an appropriate lab science for EDU majors as it is not accepted for teacher certification by NYS Education Department.

⁴See Degree map at: <http://www.bcc.cuny.edu/academics/academic-advising/degree-maps/> for semester-by-semester sequence.

⁵It is recommended that students planning to transfer to City College take COMM 20.

⁶For students who have also enrolled in ENG 110 as a corequisite course.

⁷World Language courses taught in English (e.g., ITL 123) do not satisfy this requirement.

⁸Some languages (e.g., French and Spanish) require placement testing prior to enrollment. Please contact the World Languages and Cultures Department for more information.

⁹The World Languages and Cultures Department will consider exemption requests for students who present appropriate evidence that they have completed full-time study at a college or university outside of the United States in which the language of instruction was other than English. These students will be exempted from a foreign language requirement at Bronx Community College.

¹⁰This requirement is satisfied if a student takes 4-credit STEM variant course in Required Area C.

¹¹Consult with the department faculty advisor to discuss which courses apply towards teacher preparation to obtain certification to teach in the disciplines relevant to middle and high schools.

*Note:

In order to apply for [graduation](#), students must complete all required courses with appropriate grades, complete two writing intensive courses, and have a minimum GPA of 2.0.
