

LIBERAL ARTS & SCIENCES

Secondary Education Option

A.A. Degree*

¹ Students with English Proficiency Index (EPI) of 0-49 enroll in corequisite course ENG 100. Students with EPI of 50-64 enroll in corequisite course ENG 110. Students with EPI of at least 65 (or other English proficiency qualification) enroll in ENG 111. Students with ESL need should take appropriate ESL course/s (Sequence: ESL 01 > 02 > 03 > 09) before enrolling in ENG 110.

² It is highly recommended that students take FYS 11 in their first or second semester prior to earning 24 credits. Students who have earned 24 or more credits are permitted to use the one credit as a free elective.

³ Students with Math Proficiency Index (MPI) of 0-59 enroll in corequisite course MTH 21.5 OR MTH 23.5. Students with MPI of 39 or lower are strongly encouraged to enroll in Math Start/CUNY Start.

⁴ Students may select either a 4-credit or 3-credit science course. Students selecting a 3 credit course **must** also complete an additional 1-credit Lab course to fulfill graduation requirements. Please note that **ENV 11** is not an appropriate lab science for EDU majors as it is not accepted for teacher certification by NYS Education Department.

⁵ HIS 11 is for students who enroll in ENG 110 as a corequisite.

⁶ World Language courses taught in English (e.g., ITL 123) do not satisfy this requirement.

Some languages (e.g., French and Spanish) require placement testing prior to enrollment. Please contact the World Languages and Cultures Department for more information.

The World Languages and Cultures Department will consider exemption requests for students who present appropriate evidence that they have completed full-time study at a college or university outside of the United States in which the language of instruction was other than English. These students will be exempted from a foreign language requirement at Bronx Community College.

⁷ It is recommended that students planning to transfer to City College take COMM 20. Only one COMM course is required for NYSED license.

⁸ Consult with the department to discuss which courses apply towards teacher preparation to obtain certification to teach in the disciplines relevant to middle and high schools. It is recommended that students select courses from the Liberal Arts and Sciences disciplines. See [Common Core Pathways course listing](#).

***Note: In order to graduate, students must meet all requirements, including, completing all required courses with appropriate grades, completing two writing intensive courses, and earning a minimum GPA of 2.0, and [applying for graduation](#).**
