⁵ For Required and Flexible Core course selections, see [Common Core Pathways course listing](#).

⁶ World Language courses taught in English (e.g., ITL 123) do not satisfy this requirement.

Some languages (e.g., French and Spanish) require placement testing prior to enrollment. Please contact the World Languages and Cultures Department for more information.

The World Languages and Cultures Department will consider exemption requests for students who present appropriate evidence that they have completed full-time study at a college or university outside of the United States in which the language of instruction was other than English. These students will be exempted from a foreign language requirement at Bronx Community College.
