INDEPENDENT AUDITORS' REPORT

The Board of Directors Bronx Community College Foundation, Inc.:

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Bronx Community College Foundation, Inc. (the Foundation) (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Bronx Community College Foundation, Inc. as of June 30, 2022, and the changes in net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

We have previously audited the Foundation's 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated October 6, 2021. In our opinion, the summarized comparative information presented herein as of and for the year ended June 30, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of net assets with donor restrictions for time or purpose is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

EFPR Group, CPAS, PLLC

Notes to Financial Statements

June 30, 2022

(1) Nature of Organization

The Bronx Community College Foundation, Inc. (the Foundation) was incorporated for the purpose of providing support for student scholarships, faculty research, program development, community education, cultural enrichment and the Hall of Fame for Great Americans.

The major sources of revenue are contributions from alumni, corporations and foundations.

(2) Summary of Significant Accounting Policies

(a) Basis of Accounting

The accompanying financial statements of the Foundation have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

(b) Basis of Presentation

The Foundation reports information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. Net assets without donor restrictions represent resources available for the general support of the Foundation's activities. Net assets with donor restrictions represent those resources whose use has been limited by donor-imposed stipulations that may expire by the passage of time or can be fulfilled by actions of the Foundation.

(c) Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(d) Cash and Equivalents

For purposes of the statement of cash flows, the Foundation considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

(e) Concentration of Credit Risk

Financial instruments that potentially subject the Foundation to concentrations of credit risk consist principally of cash and cash equivalent accounts in financial institutions. Although the accounts exceed the federally insured deposit amount, management does not anticipate nonperformance by the financial institution.

Notes to Financial Statements, Continued

(2) Summary of Significant Accounting Policies, Continued

(f) Investments

The Foundation's investments are held by the City University of New York (CUNY) in an investment pool which is under the control of the Committee on Fiscal Affairs of the Board of Trustees of CUNY (the Committee). Several investment advisory firms are engaged to assist the Committee in its investment pool portfolio management, which is comprised of cash and cash equivalents, corporate bonds, equities, mutual funds, U.S. agency mortgage-backed securities, U.S. government bonds and foreign bonds. Realized and unrealized gains and losses are included in the statement of activities as changes in net assets without donor restrictions, unless their use is restricted by explicit donor stipulations or by law.

(g) Fair Value Measurements

- A framework has been established for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:
 - Level 1 Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the Foundation can access.
 - Level 2 Inputs to the valuation methodology include:
 - Quoted prices for similar assets or liabilities in active markets;
 - Quoted prices for identical or similar assets or liabilities in inactive markets;
 - Inputs other than quoted prices that are observable for the asset or liability; and
 - Inputs that are derived principally from or corroborated by observable market data by correlation or other means.
 - Level 3 Inputs to the valuation methodology are unobservable and significant to the fair value measurement.
- The asset's or liability's fair value measurement within the fair value hierarchy is based on the lowest level of any input significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs. There have been no changes in the methodologies used on June 30, 2022. The investments held by the Foundation are classified as level 2 in the fair value hierarchy.

(h) Accounts Receivable

The Foundation records accounts receivable based on services provided; interest income is not accrued or recorded on outstanding accounts receivable.

Notes to Financial Statements, Continued

(2) Summary of Significant Accounting Policies, Continued

(i) Contributions Receivable

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give that are expected to be collected in future years are recorded at the present value of their estimated future cash flows; the discounts on these amounts are computed using risk-adjusted interest rates applicable to the year in which the promises are received. Amortization of the discounts is included in contributions revenue. Conditional promises to give are not included as support until the conditions are substantially met.

(j) Revenue Recognition

Contributions are recognized when the donor makes an unconditional promise to give to the Foundation. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets are reclassified accordingly.

(k) Contracts with Customers

Under Accounting Standards Update (ASU) No. 2014-09 (Topic 606) - Revenue from Contracts with Customers, revenue is recognized when promised goods or services are transferred to customers in an amount that reflects the consideration to which the Foundation expects to be entitled in exchange for these good or services. The Foundation utilizes a five-step framework as identified in ASU No. 2014-09. The primary sources of revenue from contracts with customers for the Foundation is as follows:

Special Events

- Special event revenue, excluding any contribution component, consists of a single performance obligation and revenue is recognized when the event occurs. There are minimal factors that could impact the nature, amount and timing of the uncertainties involving this revenue and the related cash flows.
- Special event revenue is generally nonrefundable and is due before the event occurs or at the start of the event. Special event revenue is received in advance and is deferred and recognized when the event takes place.

(1) Recent Accounting Standards Issued

In September 2020, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2020-07, "Presentation and Disclosures for Not-for-Profit Entities for Contributed Nonfinancial Assets." ASU 2020-07 requires new presentation and disclosures for gift-in-kind donations to improve transparency on how those assets are used and valued. These financial statements and notes reflect retroactive adoption of this new standard.

Notes to Financial Statements, Continued

(2) Summary of Significant Accounting Policies, Continued

(m) Expense Allocation

The costs of providing the Foundation's various programs and other activities have been summarized on a functional basis within the statement of activities and the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited based on direct usage and applicability; college support, grants and scholarships are allocated to program services, administration costs are allocated to management and general, and donated services are allocated to fundraising/donated services and management and general accordingly.

(n) Subsequent Events

The Foundation has evaluated subsequent events through the date of the report which is the date the financial statements were available to be issued.

(o) Risks and Uncertainties

The United States is presently in the midst of a national health emergency related to the COVID-19 virus. The overall consequences on a national, regional and local level are unknown, but have the potential to result in a significant economic impact. The impact of this situation on the Foundation and its future results and financial position is not presently determinable.

(p) Income Taxes

The Foundation is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the Code), therefore, no provision for income taxes is reflected in the financial statements. The Foundation has been classified as a publicly supported organization that is not a private foundation under Section 509(a) of the Code. The Foundation presently discloses or recognizes income tax positions based on management's estimate of whether it is reasonably possible or probable that a liability has been incurred for unrecognized income taxes. Management has concluded that the Foundation has taken no uncertain tax positions that require adjustment in its financial statements. U.S. Forms 990 filed by the Foundation are subject to examination by taxing authorities.

(3) Liquidity

The Foundation has \$1,745,116 of financial assets available within one year of the statement of financial position date to meet cash needs for general expenditures, consisting entirely of cash and equivalents. Some of these financial assets are subject to donor or contractual restrictions that make them unavailable for general expenditure within one year of the 2022 statement of financial position.

BRONX COMMUNITY COLLEGE FOUNDATION, INC. Notes to Financial Statements, Continued

(4) Investments in CUNY Investment Pool and Related Investment Income

- The Foundation's investments in the CUNY investment pool amounted to \$483,362 and \$517,520 at June 30, 2022 and 2021, respectively.
- The following table summarizes the activity for the investments during the years ended June 30, 2022 and 2021:

Balance at June 30, 2020	\$ 439,709
Interest and dividends	5,005
Realized gain	6,253
Unrealized gain	<u>66,553</u>
Balance at June 30, 2021	517,520
Interest and dividends	5,484
Withdrawals	(9,867)
Realized gain	13,920
Unrealized loss	(43,695)
Balance at June 30, 2022	\$ <u>483,362</u>

A summary of investments income (loss) for the years ended June 30, 2022 and 2021 is as follows:

	<u>2022</u>	<u>2021</u>
Interest and dividends	\$ 5,484	5,005
Realized gain	13,920	6,253
Unrealized gain (loss)	(<u>43,695</u>)	<u>66,553</u>
Total investments income (loss)	\$ (<u>24,291</u>)	<u>77,811</u>

(5) Net Assets With Donor Restrictions

Net assets with donor restrictions at June 30, 2022 and 2021 are available for the following purposes:

	<u>2022</u>	<u>2021</u>
Time or purpose restricted:		
Specific college programs	\$ 145,575	101,874
Grants	285,007	261,006
Scholarship programs	575,193	591,561
Other contributions	282,204	262,453
	<u>1,287,979</u>	<u>1,216,894</u>

Notes to Financial Statements, Continued

(5) Net Assets With Donor Restrictions

	<u>2022</u>	<u>2021</u>
Endowment:		
Con Edison Fund	\$ 100,000	100,000
Kalief Browder Memorial Scholarship	107,435	107,435
	207,435	207,435
Total	\$ <u>1,495,414</u>	<u>1,424,329</u>

(6) Endowment

- The Foundation classifies as net assets with donor restrictions: (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts donated to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.
- The Foundation considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purpose of the Foundation and donor-restricted endowment funds, (3) general economic conditions, (4) the possible effects of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Foundation, (7) the Foundation's investment policies, and (8) where appropriate, alternatives to spending from the donor-restricted endowment funds and the possible effects of those alternatives on the Foundation.
- The Foundation has adopted investment and spending policies, approved by the Board of Directors, for endowment assets that attempt to provide a predictable stream of funding to supported programs while seeking to maintain the purchasing power of these assets over the long-term. The Foundation's investment and spending policies work together to achieve this objective. The investment policy establishes an achievable return objective through diversification of asset classes; actual returns in any given year may vary from this amount. To satisfy its long-term rate-of-return objectives, the Foundation relies on a total return strategy in which investment returns are achieved through both capital appreciation (realized and unrealized) and current yield (interest and dividends). The Foundation targets a diversified asset allocation that places an emphasis on fixed income investments to achieve its long-term return objectives within prudent risk parameters.
- The spending policy calculates the amount of money annually distributed from the Foundation's various endowment funds for grant making and administration. The current spending policy is to distribute 4.5% of the endowment assets.

Notes to Financial Statements, Continued

(6) Endowment, Continued

The following represents the changes in endowment balances by restriction class for the years ended June 30, 2022 and 2021:

	Time <u>restrictions</u>	Endowment restrictions	Total
Endowment net assets at June 30, 2020	\$ 232,274	207,435	439,709
Investment income			<u>77,811</u>
Endowment net assets at June 30, 2021	310,085	207,435	517,520
Investment loss	(24,291)		(24,291)
Withdrawal	<u>(9,867</u>)		<u>(9,867</u>)
Endowment net assets at June 30, 2022	\$ <u>275,927</u>	207,435	483,362
