

BUSINESS AND INFORMATION SYSTEMS DEPARTMENT ACCREDITATION

The Accreditation Council for Business Schools and Programs (ACBSP) is a specialized accreditation association that reviews the quality and integrity of business degree programs. ACBSP accredits accounting, business, and business-related programs at the associate, baccalaureate, masters, and doctorate degree levels worldwide.

- ACBSP offers an accreditation process uniquely focused on teaching excellence and student outcomes. Because the council believes ACBSP success is driven by the success of its members, ACBSP officers and members align those programs and the accreditation process to meet the individual needs of each member.
- ACBSP promotes continuous improvement and recognizes excellence in the accreditation of business education programs around the world.
- ACBSP acknowledges the importance of scholarly research and inquiry and believes that such activities facilitate improved teaching. ACBSP encourages faculty involvement within the contemporary business world to enhance the quality of classroom instruction and to contribute to student learning.
