# Accounting (A.S. Degree) \* FALL 2024-SPRING 2025

#### Footnotes:

<sup>1</sup>Students with English Proficiency Index (EPI) of 0-49 enroll in corequisite course ENG 100. Students with EPI of 50-64 enroll in corequisite course ENG 110. Students with EPI of at least 65 (or other English proficiency qualification) enroll in ENG 111. Students with ESL need should take appropriate ESL course(s) (Sequence: ESL 01->02->03->09) before enrolling in ENG 110.

- <sup>2</sup> To comply with transfer requirements at Senior Colleges, students are required to complete MTH 28 OR 28.5 College Algebra and Elementary Trigonometry in Required Core B and MTH 30 Pre-Calculus to fulfill Flexible Core E. Students who place out of MTH 28 should complete MTH 30 in Required Core B and may select another course to fulfill Flexible Core E.
- <sup>3</sup> In an effort to select courses which can be accepted as transfer credits at Senior Colleges and give students the breadth of knowledge required nationally of Business Majors, students are strongly recommended to complete HIS 10 or HIS 11 and/or COMM 34 to fulfill Flexible Core A; ECO 12 fulfill Flexible Core B; and COMM 11 and/or ECO 11 to fulfill Flexible Core D. Students wishing to participate in Baruch College Business Academy for early entry acceptance into Zicklin BBA program must complete ECO 12 in Flexible Core A and ECO 11 in Flexible Core D to be eligible.
- <sup>4</sup> Students wishing to participate in Baruch College Business Academy for early entry/acceptance into Zicklin's BBA program must complete BUS 110 in place of BUS 51.
- <sup>5</sup> Students accepted into the apprenticeship opportunities will enroll in a combination of CWE 41, CWE 42 and CWE 43 in place of BUS 51, CWE 31, and LAW 41. If students have completed any or all of these courses prior to participating in the apprenticeship, alternative course substitutions may be determined. Participation in an apprenticeship may prevent students from finishing their degree within the regular number (60) of credits.
- <sup>6</sup> CWE 31 is a two (2) credit course. Students should enroll in CWE 31 one year before graduating or when they have completed at least 30 credits towards their degree. Students should see the CWE 31 Coordinator in the Department of Business and Information Systems, during their second semester. Students who are employed full-time are not required to complete the internship portion of CWE 31, provided their employer agrees to participate in course-related surveys. Permission must be obtained from the CWE 31 Coordinator or Department Chairperson by submitting documentation of current full-time employment. College Work-Study assignments within CUNY may not be used as substitutes for the CWE internship.
- <sup>7</sup> Students must take FYS 11 prior to earning 24 degree or equated credits. Students who have earned 24 or more degree or equated credits are permitted to use the one credit as a free elective. It is highly recommended that students take FYS 11 in their first or second semester. This requirement will be waived for students who have earned 24 or more degree or equated credits at BCC or another college and transfer into this program.
- <sup>8</sup> Students transferring into the program with 24 or more degree or equated credits will be exempt from FYS 11 and only required to complete 60 credits to graduate.

#### \*Note:

In order to apply for <u>graduation</u>, students must complete all required courses with appropriate grades, complete two writing intensive courses, and have a minimum GPA of 2.0.

### REQUIRED COMMOM CORE

	English Composition <sup>1</sup> I & II	
□ A □ A	ENG 100 <b>OR</b> ENG 110 <b>OR</b> ENG 111; <b>AND</b> ENG 112 <b>OR</b> ENG 113 <b>OR</b> ENG 114 <b>OR</b> ENG 115 <b>OR</b>	
∐ A	ENG 116	6
Пв	Mathematical and Quantitative Reasoning <sup>2</sup>	
□□	MTH 28 <sup>2</sup> College Algebra and Elementary Trigonometry <b>OR</b> MTH 28.5 <sup>2</sup> ( <b>Corequisite</b> )	3
С	Life and Physical Sciences	3
	Subtotal:	12

### **FLEXIBLE COMMON CORE**
