Mr. Thompson stated that Alumni and current students are invited to attend. Mr. Thompson listed some of the CUNY approved vendors that will participate in the event along with BCC departments. MJB is the vendor supplying food for 300 students. The event will consist of a parade, marching band (faculty and staff) to bridge the campus together. The total request for funds is \$8,367 (which consist of a paint and sip event on 11/13 and homecoming on 11/18). AVP Taylor expressed happiness that the event is open to the campus community. Ms. Karen Thomas asked for clarification on the two events and if they were related. Mr. Robert Whelan stated that the Foundation does offer a similar event. Ms. Patience Roberts provided clarification. Mr. Gregory Rosenberg stated that the turnaround time for the request for funds is very tight. - AVP Taylor suggested that BCC's Homecoming next year be open to high schools and catholic schools. Mr. Andre Scott suggested that next year's homecoming theme should be like a party that can potentially bring in thousands of students.
- AVP Pinnock stated that the Purchasing Department and Vice President Manny Lopez are aware the homecoming committees request and the short turnaround time.
- Mr. Warren Thompson stated that homecoming can become sustainable moving forward. Ms. Shabazz Wilson wanted a fundraiser for homecoming facilitated by the Alumni Office. Mr. Robert Whelan stated that the homecoming event will not compete with Alumni's luncheon event. Prof. Paramita Sen expressed support for homecoming by possibly getting the Indian club to help with funding. Mr. Bryan Gomez asked if there can be some type of filming of the event. Ms. Dionne Dodson said yes that the students will be able to see the highlights. Athletics averages over 800 views when streaming their events.
