2155 University Avenue
Bronx, NY 10453

On Saturday, May 3, 2025, Bronx Community College (BCC) will host the 47th annual Run the Bronx, a community health event that includes 10K/5K runs, a 2-mile fitness walk and a health pavilion.

Co-founded in 1978 by the late and distinguished BCC President and Tuskegee Airman Roscoe C. Brown Jr., Run the Bronx attracts over 1,500 participants annually.

Why Run the Bronx

Run the Bronx, a signature BCC event, was developed to promote health and fitness in the Bronx which:

- Ranked last (62nd out of 62) in New York State counties for poor health
- Has residents with an estimated 85% higher risk of obesity than Manhattan residents
- Has a 10% diabetes rate

Sponsorship Opportunities

Run the Bronx is a tradition for the local community, as well as run enthusiasts from across the country and around the world.

The event is supported through the generosity of dedicated friends and corporate sponsors. Sponsorship covers the costs of advertising, trophies, timekeeper, refreshments, water stops, t-shirts and bibs, course markers and more. In addition, corporate sponsors help to expand the visibility of this important event.
