

How to check the status of my submitted ePermit (Undergraduate)

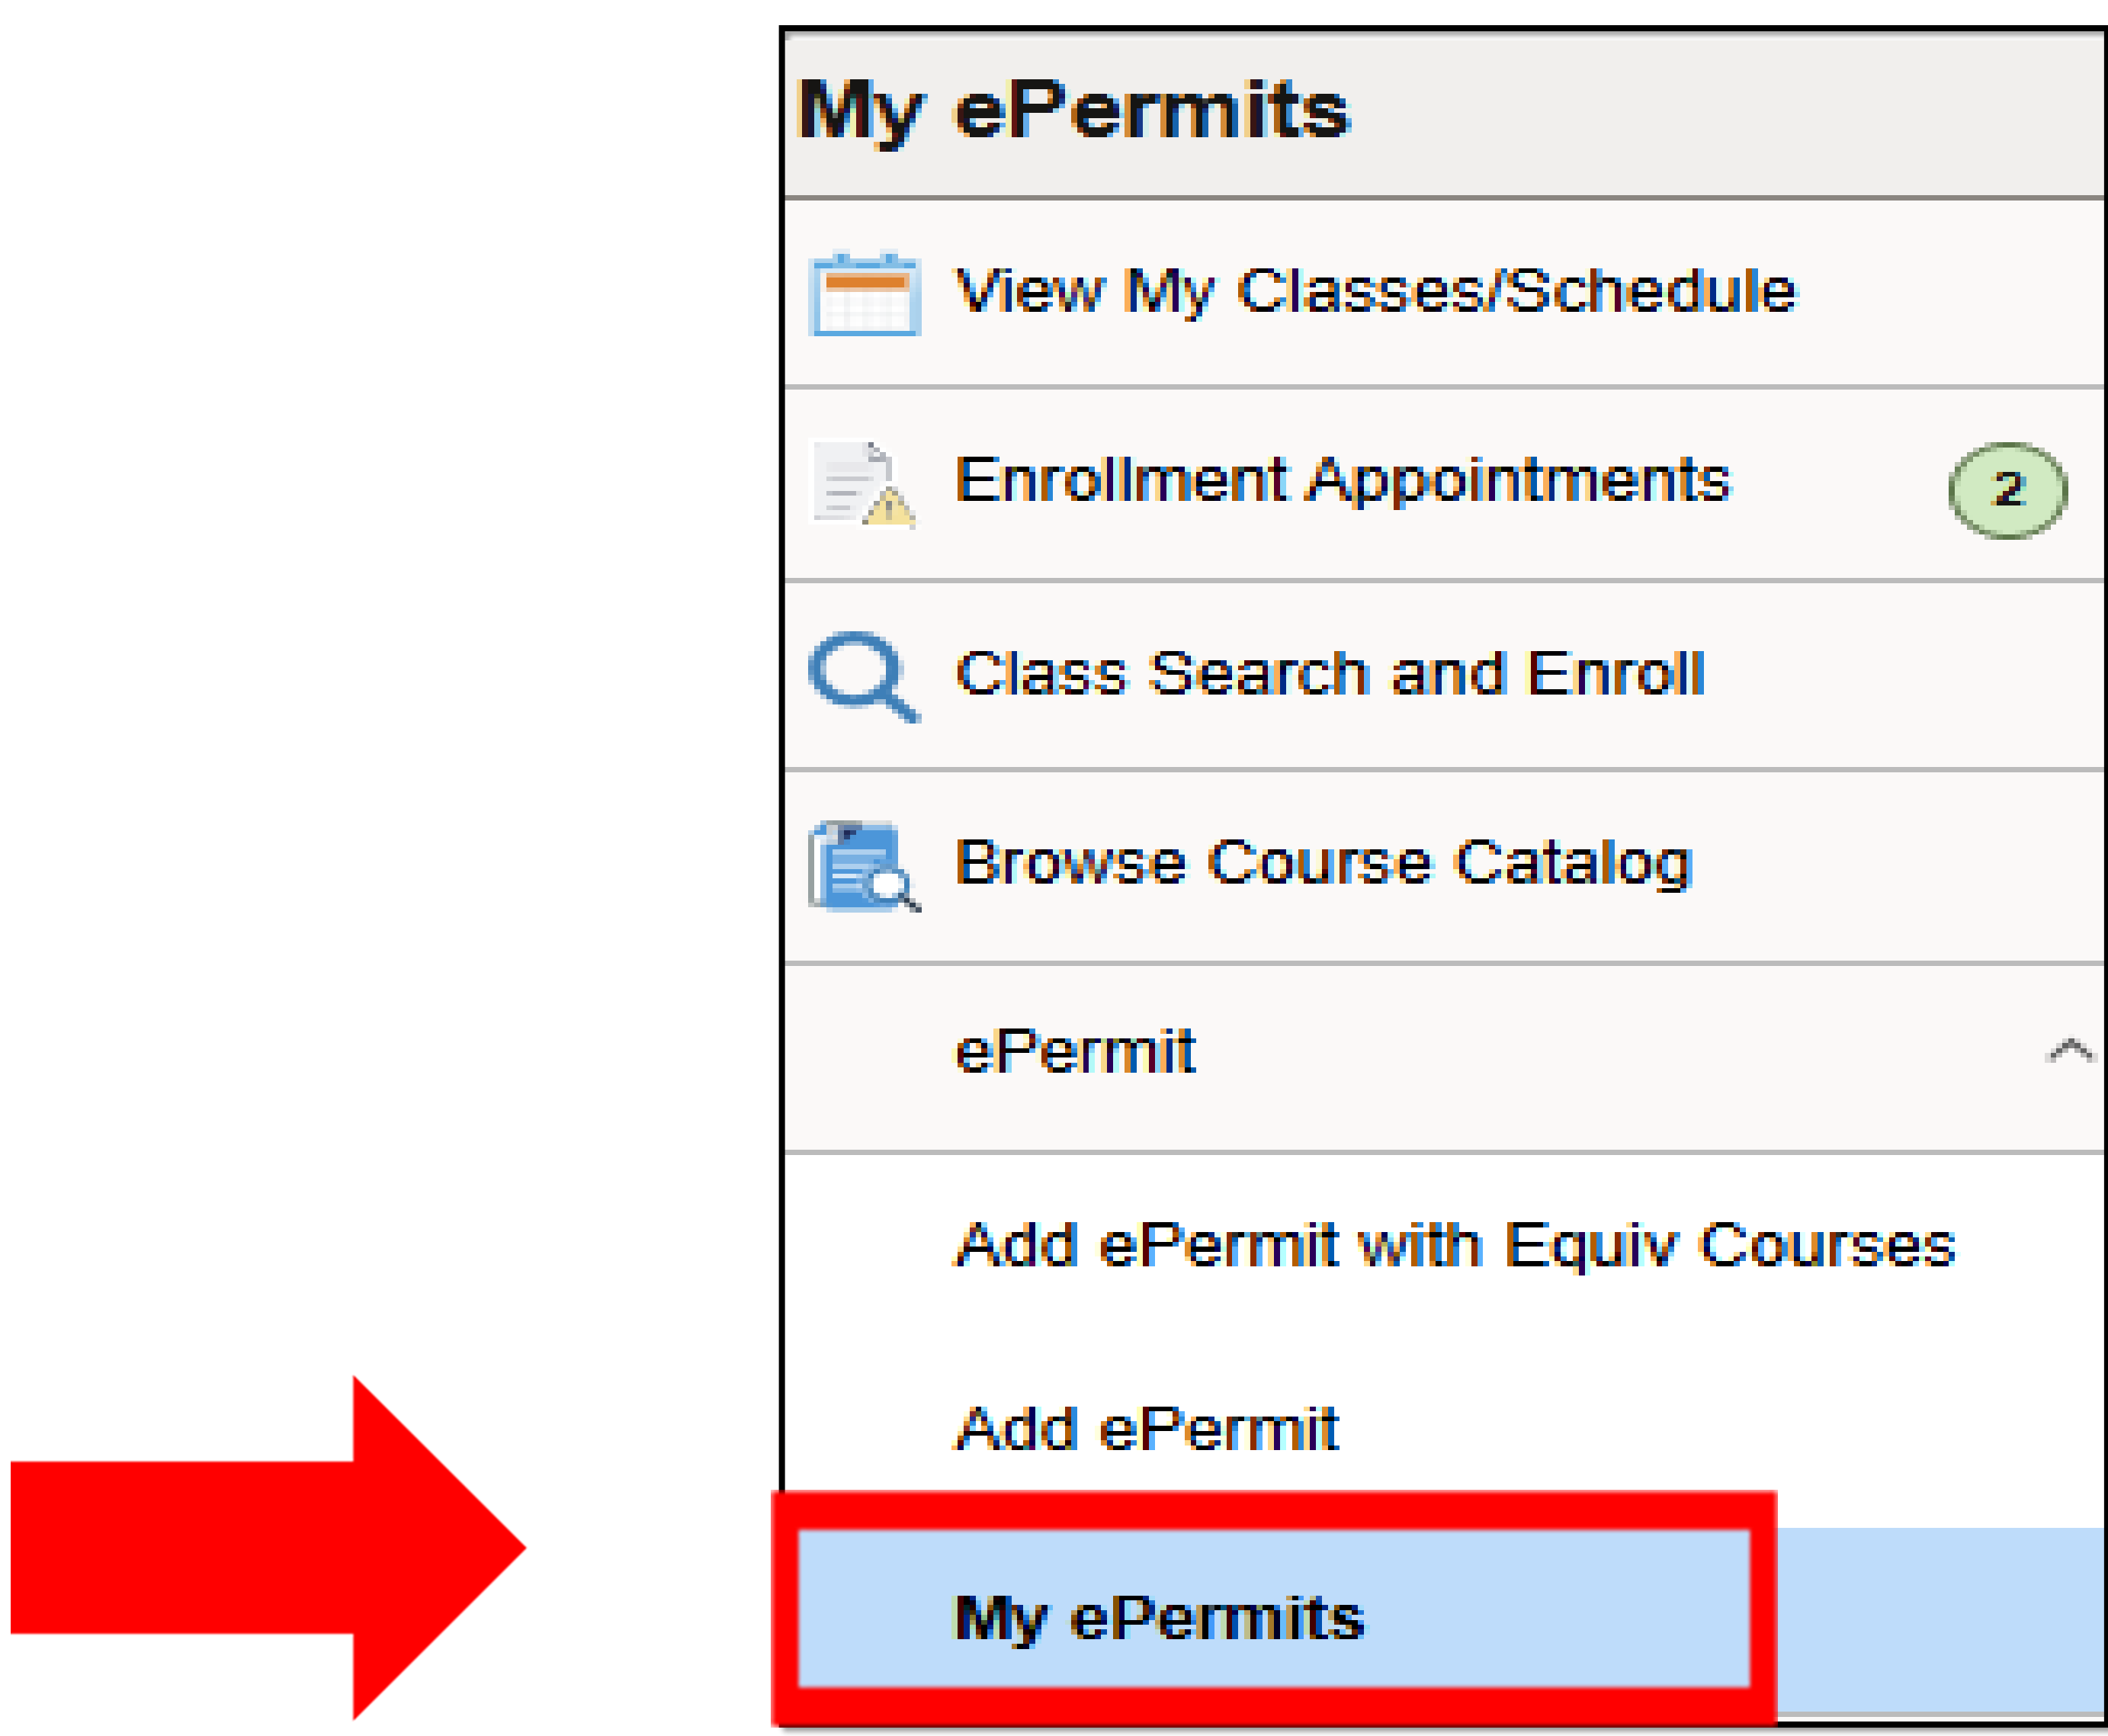

1. Log onto CUNYfirst and from your **CUNYfirst Home Page**, click on the page dropdown and select **Student Center**

2. Then select the **Course Planning & Enrollment** title

3. The status of the ePermit can be checked through CUNYfirst at any time by clicking the **My ePermit** functionality

4. Once the semester and the institution are selected, all the requests that have been made will appear on the page. Select the ePermit request that you wish to check the status by clicking the arrow near the **ePermit status**

Nbr	Host Institution	Term	Subject	Catalog	Course Description	ePermit Status	
2	Bronx CC	2026 Fall Term	ACC	111	ACC 111 - Principles of Accounting I	Initiated	>
1	Bronx CC	2026 Fall Term	ECO	12	ECO 12 - Macroeconomics	Denied	>

5. The **ePermit Status** will show the current status of your request. If your request is **Approved**, it means your ePermit request has been completely approved by BCC. If your request is **Denied**, the reason will be located in the eRegistrar Comment

Important:
Approval of your ePermit request does not automatically enroll you into the course. You must still enroll into the course through CUNYfirst once the host institution of your choice has processed your request and approves it. Please wait until BOTH COLLEGES approve your Epermit as you cannot register for the class
